

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Basic & Applied Research/Development		
Decision, Risk, and Management Science (DRMS) Program	Funding for research into risk analysis, perception, communication, and societal and public policy decision making. Additionally, compiles the results of that research.	National Science Foundation (NSF) – Directorate for Social, Behavioral and Economic Science, Division of Social and Economic Sciences: (703) 292-7263 www.nsf.gov/funding/pgm_summ.jsp?pims_id=5423&org=SES&from=home
Disaster Resilience for Rural Communities (DRRC)	Funding for research into hazard mitigation practices of rural communities, hazard preparedness and emergency response in rural communities, and disaster recovery in rural communities.	US Department of Agriculture (USDA), National Institute of Food and Agriculture: (202) 720-4423 www.csrees.usda.gov/fo/disasterresilienceforruralcommunities.cfm
Flood and Coastal Storm Damage Reduction R&D Program	Research into advancements in hydrologic and hydraulic simulation, tools for effective alternative analyses for solutions, infrastructure safety, structural design and performance, and assessment of the risk and uncertainty associated with project designs.	Department of Defense (DOD) - US Army Corps of Engineers (USACE) - Engineer Research and Development Center - Coastal and Hydraulics Laboratory: (601) 634-3040 http://chl.erdc.usace.army.mil/fcsdr
Hazard Mitigation and Structural Engineering (HMSE) Program	Funding for research into the design and performance of structural systems and on new technologies for improving the behavior, safety, and reliability of structural systems and their resistance to natural hazards and technological	National Science Foundation (NSF), Directorate for Engineering, Division of Civil, Mechanical and Manufacturing Innovation: (703) 292-7081 www.nsf.gov/funding/pgm_summ.jsp?pims_id=13358&org=CMMI

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
	hazards. Compiles the results of that research.	
National Earthquake Hazard Reduction Program (NEHRP)	Research into effective practices and policies for earthquake loss reduction, techniques for reducing earthquake vulnerabilities of facilities and systems, and improving earthquake hazards id and risk assessment and their use.	National Earthquake Hazard Reduction Program (NEHRP) email: info@nehrp.gov www.nehrp.gov
National Science Foundation Directorate for Geosciences - Multiple Programs	Funding for research into atmospheric, earth, and ocean sciences. Compiles the results of this research.	National Science Foundation (NSF) – Directorate for Geosciences: (703) 292-8500 www.nsf.gov/dir/index.jsp?org=GEO
National Severe Storms Laboratory	Research focusing on understanding severe weather processes, developing weather observation technology and improving forecast tools.	Department of Commerce (DOC) - National Oceanic and Atmospheric Administration (NOAA) (405) 325-3620 www.nssl.noaa.gov
Natural Hazards Gateway	Research into the natural hazards facing the nation. Additionally, provides education and real-time data on natural hazards.	Department of Interior (DOI) – US Geological Survey (USGS) (888) 275-8747 www.usgs.gov/hazards

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Science, Technology, and Society (STS) Program	Funding for research into the historical, philosophical, and sociological questions that arise in connection with science, engineering, and technology, and their respective interactions with society.	National Science Foundation (NSF) – Directorate for Social, Behavioral and Economic Science, Division of Social and Economic Sciences: (703) 292-7283 www.nsf.gov/funding/pgm_summ.jsp?pims_id=5324
Technical and Planning Assistance		
Coastal Community Planning and Development and other Coastal Management Training	Planning assistance for planners, elected officials, developers, business leaders, and other local decision-makers that provides examples and strategies for implementing alternative development principles in coastal communities and introduces the importance of natural hazard resilience.	Department of Commerce (DOC) - National Oceanic and Atmospheric Administration (NOAA) Email: csc.training.cms@noaa.gov www.csc.noaa.gov/training
Community Assistance Grants	Planning assistance grants for the development Community Wildfire Protection Plans (CWPPs).	Department of Interior (DOI) –Bureau of Land Management (BLM) through the National Fire Plan www.nwfireplan.gov/CommunityAsst/Apply.htm
Economic Adjustment Assistance (Subject to Supplemental Appropriations by Congress after Disasters)	Technical and planning assistance grants for the development and implementation of long-term, regionally-based, collaborative economic redevelopment strategies.	Department of Commerce (DOC) - Economic Development Administration (EDA), Seattle Regional Office: (206) 220-7660 www.eda.gov

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Emergency Management / Mitigation Training	Training in disaster mitigation, preparedness, planning.	Federal Emergency Management Agency (FEMA) -Emergency Management Institute (EMI) www.training.fema.gov
Environmental Quality Incentives Program (EQIP)	Technical and financial assistance to help with structural and management conservation practices on agricultural land.	United State Department of Agriculture (USDA) - National Resources Conservation Service (NRCS) NRCS Field Offices or NRCS EQIP Program Manager: (202) 690-2621 State Contact: (509) 323-2971 www.nrcs.usda.gov
National Dam Safety Program	Technical assistance , training, and grants to help improve State dam safety programs.	Federal Emergency Management Agency (FEMA) -Dam Safety Program http://www.fema.gov/about-national-dam-safety-program STATE CONTACT- Department of Ecology: (360) 407-6623 www.ecy.wa.gov/programs/wr/dams/dss.html
National Database of State and Local Wildfire Hazard Mitigation Programs	Technical and planning assistance for activities associated with wildland and urban interface fire hazards mitigation. Notice: this database, with the exception of the Biomass Utilization section, is not actively administered and has not been updated since 1/1/2010.	United State Department of Agriculture (USDA) - US Forest Service (USFS) www.wildfireprograms.usda.gov
National Drought Mitigation Center	Technical and planning assistance for activities associated with drought mitigation.	University of Nebraska - sponsored by multiple federal agencies www.drought.unl.edu/index.htm
National Earthquake Hazards Reduction Program	Technical and planning assistance for activities associated with earthquake hazards mitigation.	United States Geological Society (USGS) - Earthquake Program Coordinator: (703) 648-6714 www.nehrp.gov

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
(NEHRP)		
National Flood Insurance Program (NFIP)	<p>Formula grants to States to assist communities to comply with NFIP floodplain management requirements (Community Assistance Program). Technical Bulletins are available on the website to help with flood protection activities.</p>	<p>Federal Emergency Management Agency (FEMA) - National Flood Insurance Program (NFIP) (800) 427-4661 STATE CONTACT: Department of Ecology (360) 407-6796 www.fema.gov/about/programs/nfip/index.shtm</p>
Puget Sound Protection and Restoration: Tribal Implementation Assistance Grants	<p>Grants to federally recognized Tribal governments within the greater Puget Sound Basin for help in implementing priority of work for the protection and restoration of Puget Sound.</p>	<p>Environmental Protection Agency (EPA) – Region 10 (206) 553-2728 yosemite.epa.gov/r10/HOMEPAGE.NSF/Information/Grants</p>
Puget Sound Scientific Studies and Technical Investigations Assistance Grants	<p>Grants to State and local government agencies, federally recognized Tribal governments, public and private institutions of higher education, and public interest entities located within the greater Puget Sound Basin. Provides funding for integrating flood hazard management plans with information and approaches for identifying, evaluating, and incorporating, environmental restoration opportunities.</p>	<p>Environmental Protection Agency (EPA) - Region 10 (206) 553-2728 yosemite.epa.gov/r10/HOMEPAGE.NSF/Information/Grants</p>

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Puget Sound Watershed Management Assistance Grants	Grants to local governments, federally recognized Tribal governments, and special purpose districts for help in integrating watershed protection and land use decisions.	Environmental Protection Agency (EPA) - Region 10 (206) 553-2728 yosemite.epa.gov/r10/HOMEPAGE.NSF/Information/Grants
Risk Mapping, Assessment, and Planning (Risk MAP) Program (replacement for FEMA's Map Modernization Program)	Technical and planning assistance for identifying, assessing, communicating, and mitigating risk.	Federal Emergency Management Agency (FEMA) Region X, Risk Analysis Branch: (425) 487-4600 STATE CONTACT: Department of Ecology (360) 407-6796 www.fema.gov/plan/prevent/fhm/rm_main.shtm
Silver Jackets Program	Formal and consistent strategy for an interagency approach to planning and implementing measures to reduce the risks associated with flooding and other natural hazards.	Department of Defense (DOD), United States Army Corps of Engineers (USACE), Federal Emergency Management Agency (FEMA), and State Agencies STATE CONTACT: Department of Ecology (360) 407-6796 www.iwr.usace.army.mil/nfrmp/state/about.cfm
Flood Plain Management Services (FPMS) Program	Technical and planning assistance at the local, regional, or state level needed to support effective floodplain management.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) Portland District Contact: (503) 808-4874 www.nwp.usace.army.mil/ec/fpms.asp Seattle District Contact: (206) 764-6721 www.nws.usace.army.mil/PublicMenu/Menu.cfm?sitename=cw&pagename=fpms Walla Walla District Contact: Planning Division (509) 527-7257 or Email: CENWWPMPD@usace.army.mil www.nww.usace.army.mil/html/pub/ap/TS/GIPAGE.htm

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
National Flood Risk Management Program	Facilitates interagency teams (Silver Jackets) at the state level to develop and implement solutions to state natural hazard priorities.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) See USACE District contact info above and Flood Risk Management Gateway: operations.usace.army.mil/flood.cfm
National Nonstructural/Flood Proofing Committee (NFPC)	Workshops to provide training on nonstructural mitigation measures to be utilized in floodplain management.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) See USACE District contact info above and Flood Risk Management Gateway: operations.usace.army.mil/flood.cfm
Planning Assistance to States	Technical and planning assistance for the preparation of comprehensive plans for the development, utilization, and conservation of water and related land resources.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) See USACE District contact info above
Volcano Hazards Program	Technical assistance: Volcano hazard warnings and operation of five volcano observatories to monitor and assess volcano hazard risk.	Department of Interior (DOI) – US Geological Survey (USGS) Volcanic Hazards Program Coordinator: (703) 648-6711 Cascades Volcano Observatory (CVO) vulcan.wr.usgs.gov/home.html
Watershed Protection and Flood Prevention Program	Technical and financial assistance for installing works of improvement to protect, develop, and utilize land or water resources in small watersheds under 250,000 acres.	US Department of Agriculture (USDA), Natural Resources Conservation Service (NRCS) - National Watershed Program Leader: (202) 690-2819; Flood Prevention Projects Leader: (202) 720-8770; State Contact: (509) 323-2900 www.nrcs.usda.gov

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Watershed Surveys and Planning	Surveys and planning studies for appraising water and related resources, and formulating alternative plans for conservation use and development. Grants and advisory/counseling services to assist w/ planning and implementation improvement.	US Department of Agriculture (USDA) – Natural Resources Conservation Service (NRCS) - Watersheds and Wetlands Division: (202) 720-4527; Deputy Chief for Programs: (202) 690-0848; State Contact: (509) 323-2900 www.nrcs.usda.gov
Hazard ID & Mapping		
Cooperative Water Program (CWP)	Funding assistance for stream gage activities.	Department of Interior (DOI) – US Geological Survey (USGS) CWP Coordinator: (703) 648-5061 water.usgs.gov/coop/
Coastal Inundation Mapping	Training for certified floodplain managers and state and local officials on the coastal inundation issues and spatial techniques for mapping inundation.	Department of Commerce (DOC) - National Oceanic and Atmospheric Administration (NOAA) Email: csc.training.geospatial@noaa.gov www.csc.noaa.gov/training
Earthquake Hazards Program	Seismic Mapping.	Department of Interior (DOI) – US Geological Survey (USGS) - Earthquake Program Coordinator: (703) 648-6714 earthquake.usgs.gov/hazards/
National Flood Insurance Program: Flood Mapping	Flood insurance rate maps and flood plain management maps for all NFIP communities.	Federal Emergency Management Agency (FEMA) Map Service Center: (800) 358-9616 www.msc.fema.gov/webapp/wcs/stores/servlet/FemaWelcomeView?storeId=10001&catalogId=10001&langId=-1

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
National Flood Insurance Program: Cooperating Technical Partners (CTP) Program	Training, Technical, and supplemental Funding assistance for flood mapping activities.	Federal Emergency Management Agency (FEMA) Region X CTP Regional Coordinator: (425) 487-4626 www.fema.gov/plan/prevent/fhm/ctp_main.shtm
National Digital Evaluation Program (NDEP)	Promotes the exchange of accurate digital land evaluation data among government, private, and non-profit sectors and the academic community.	Multiple Agencies Email: elevation@ndep.gov www.ndep.gov
National Digital Orthophoto Program (NDOP)	Develops orthoimagery for use in mapping of flood and other hazards and coordinates Federal and State agency imagery requirements.	Multiple Agencies FEMA Contact Email: Paul.Rooney@dhs.gov www.ndop.gov
National Streamflow Information Program (NSIP)	Operation of a network of over 7,000 stream gaging stations that provide real-time and historical data on streamflows. Provides funding for stream gage activities.	Department of Interior (DOI) – US Geological Survey (USGS) Chief, Office of Surface Water: (703) 648-5301 water.usgs.gov/nsip/
National Geospatial Program	Maintains mapping and digital data standards and coordinates multiple mapping activities.	Department of Interior (DOI) – US Geological Survey (USGS) www.usgs.gov/ngpo/
National Cooperative Soil Survey	Maintains soil surveys of counties or other areas to assist with farming, conservation, mitigation or related purposes.	US Department of Agriculture (USDA) - Natural Resources Conservation Service (NRCS) - National Leader, National Cooperative Soil Survey: (202) 720-1809 State Contact: State Soil Scientist (509) 323-2979 www.wa.nrcs.usda.gov/programs/soil_survey.html

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Project Support		
Aquatic Ecosystem Restoration	Direct support for carrying out aquatic ecosystem restoration projects that will improve the quality of the environment.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) Portland District Environmental Section (503) 808-4760 www.nwp.usace.army.mil/home.asp Seattle District Environmental Resources Section (206) 764-3624 www.nws.usace.army.mil/index.cfm Walla Walla District Planning Division (509) 527-7257 www.nww.usace.army.mil/
Beneficial Uses of Dredged Materials	Direct assistance for projects that protect, restore, and create aquatic and ecologically related habitats, including wetlands, in connection with dredging an authorized Federal navigation project.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) Portland District Environmental Section (503) 808-4760 www.nwp.usace.army.mil/home.asp Seattle District Environmental Resources Section (206) 764-3624 www.nws.usace.army.mil/index.cfm Walla Walla District Planning Division (509) 527-7257 www.nww.usace.army.mil/
Channel Renovation	Planning, Design, and other Technical Assistance for certain projects in navigable streams and tributaries. Projects can include the removal of snags and other debris, the clearing and straightening of channels, and renovation of navigable streams by nonstructural methods to improve drainage, water quality, and wildlife habitat.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) Portland District Environmental Section (503) 808-4760 www.nwp.usace.army.mil/home.asp Seattle District Environmental Resources Section (206) 764-3624 www.nws.usace.army.mil/index.cfm Walla Walla District Planning Division (509) 527-7257 www.nww.usace.army.mil/

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Clean Water Act Section 319 Grants (Nonpoint Source Management Program) and State Centennial Clean Water Grant Program	Grants to States to implement non-point source programs, including support for nonstructural watershed resource restoration activities and urban storm water runoff activities. The State Dept of Ecology runs a combined application and funding cycle for these grants.	Environmental Protection Agency (EPA) Office of Water Chief, Non-Point Source Control Branch: (202) 566-1155 State Contact: Dept of Ecology (360) 407-6180/6551 www.epa.gov/owow/nps/cwact.html www.ecy.wa.gov/programs/wq/funding/funding.html
Coastal Zone Management Program	Grants for planning and implementation of nonstructural coastal flood and hurricane hazard mitigation projects and coastal wetlands restoration.	Department of Commerce (DOC) - National Oceanic and Atmospheric Administration (NOAA) - National Ocean Service - Office of Ocean and Coastal Resource Management - Chief, Coastal Programs Division: (301) 713-3155 oceanservice.noaa.gov/topics/coasts/management/
Community Development Block Grant (CDBG) State Administered Program	Grants to States to develop viable communities (e.g., housing, a suitable living environment, expanded economic opportunities) in non-entitled areas, for low- and moderate income persons. The Imminent Threat Grant (a subgrant of the CDBG) provides funding for emergency needs that pose a serious, immediate threat to public health and safety.	US Department of Housing and Urban Development (HUD) - State CDBG Program Manager Or State and Small Cities Division, Office of Block Grant Assistance, HUD Headquarters: (202) 708-3587 http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Community Development Block Grant Entitlement Communities Program	Grants to entitled cities and urban counties to develop viable communities (e.g., decent housing, a suitable living environment, expanded economic opportunities), principally for low- and moderate-income persons.	US Department of Housing and Urban Development (HUD) City and county applicants should call the Community Planning and Development staff of their appropriate HUD field office. As an alternative, they may call the Entitlement Communities Division, Office of Block Grant Assistance, HUD Headquarters: (202) 708-1577, 3587 http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs
Disaster Recovery Assistance (Subject to supplemental funding by Congress after disasters)	Grants to fund gaps in available recovery assistance after disasters (including mitigation).	US Department of Housing and Urban Development (HUD) Community Planning and Development Divisions in their respective HUD field offices or HUD Community Planning and Development: (202) 708-2605 http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs
Economic Adjustment Assistance Program (Subject to supplemental funding by Congress after disasters)	Grant funding to assist with the long-term economic recovery of communities, industries, and firms adversely impacted by disasters.	Department of Commerce (DOC) - Economic Development Administration (EDA) - Seattle Regional Office: (206) 220-7660 www.eda.gov
Emergency Watershed Protection Program (Can be opened for both a Presidentially declared and locally	Technical and financial assistance for relief from imminent hazards in small watersheds, and to reduce vulnerability of life and property in small watershed areas damaged by severe natural hazard events.	US Department of Agriculture (USDA) - Natural Resources Conservation Service (NRCS) - Watersheds and Wetlands Division, National EWP Program Leader: (202) 690-0793 State Contact: (509) 323-2955 www.wa.nrcs.usda.gov/programs/ewp.html

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
declared disaster)		
Federal Highways Bridge Program	Grants to Local Jurisdictions for locally-owned bridge repair and rehabilitation projects, including those for seismic retrofitting and scour mitigation.	US Department of Transportation (USDOT) State Contact: WSDOT (360) 705-7379 www.wsdot.wa.gov/LocalPrograms/Bridge/Call.htm
Hazard Mitigation Grant Program (HMGP)	Grants to States, Local Jurisdictions, Tribes, and Private Nonprofits for implementing long-term hazard mitigation measures following a major disaster declaration.	Federal Emergency Management Agency (FEMA) State Contact: EMD (253) 512-7072 www.fema.gov/government/grant/hma/index.shtm
Flood Mitigation Assistance (FMA)	Grants to States, Local Jurisdictions, and Tribes for predisaster mitigation to help reduce or eliminate the long-term risk of flood damage to structures insurable under the National Flood Insurance Program (NFIP).	Federal Emergency Management Agency (FEMA) see above for contact info
Pre-Disaster Mitigation (PDM)	Grants to States, Local Jurisdictions, Tribes, and Private Nonprofits for hazard mitigation planning and the implementation of mitigation projects prior to a disaster event.	Federal Emergency Management Agency (FEMA) see above for contact info

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
Repetitive Loss Claims (RFC)	Grants to States, Local Jurisdictions, and Tribes to reduce flood damages to insured properties that have had one or more claims to the NFIP.	Federal Emergency Management Agency (FEMA) see above for contact info
Severe Repetitive Loss (SRL) (also see NFIP ICC summary below for potential supporting funding for this program)	Grants to States, Local Jurisdictions, and Tribes to reduce or eliminate the long-term risk of flood damage to severe repetitive loss (SRL) structures insured under the NFIP.	Federal Emergency Management Agency (FEMA) see above for contact info
Public Assistance Program (Infrastructure)	Grants to States, Local Jurisdictions, Tribes, and Private Nonprofits to repair damaged infrastructure and public facilities, and help restore government or government-related services. Mitigation funding is available for work related to damaged components of the eligible building or structure.	Federal Emergency Management Agency (FEMA) State Contact: EMD (253) 512-7402 www.fema.gov/government/grant/pa/index.shtm
National Flood Insurance Program (NFIP)	Makes available flood insurance to residents of communities that adopt and enforce minimum floodplain management requirements.	Federal Emergency Management Agency (FEMA) National Flood Insurance Program (NFIP) (800) 427-4661 STATE CONTACT: Department of Ecology (360) 407-6796 www.fema.gov/about/programs/nfip/index.shtm

*2013 Washington State
Enhanced State Hazard Mitigation Plan*

Program / Activity	Type of Assistance	Agency & Contact
National Flood Insurance Program (NFIP) Increased Cost of Compliance (ICC) Coverage (NOTE: this funding can count towards the local share requirement of the other FEMA HMA grant programs listed above)	Funding Assistance to homeowners insured under the NFIP to help cover the cost of complying with community floodplain management ordinances when homes are substantially damaged or repetitively damaged. NOTE: as of this plan update, FEMA had just introduced a policy by which homeowners of SRL properties can access this funding prior to an actual substantial or repetitive damage determination.	Federal Emergency Management Agency (FEMA) National Flood Insurance Program (NFIP) (800) 427-4661 STATE CONTACT: Department of Ecology (360) 407-6796 or EMD (253) 512-7072 http://www.fema.gov/national-flood-insurance-program-2/increased-cost-compliance-coverage
HOME Investments Partnerships Program	Grants to States , local government and consortia for permanent and transitional housing (including support for property acquisition and rehabilitation) for low-income persons.	US Department of Housing and Urban Development (HUD) Community Planning and Development, Grant Programs, Office of Affordable Housing, HOME Investment Partnership Programs: 800-998-9999 State Contact: Dept of Commerce (360) 725-2924 http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs
Non-Structural Alternatives to Structural Rehabilitation of Damaged Flood Control Works	Direct planning and construction grants for non-structural alternatives to the structural rehabilitation of flood control works damaged in floods or coastal storms.	Department of Defense (DOD), United States Army Corps of Engineers (USACE) Emergency Management contact in Northwestern Regional Office: (503) 808-3903 or the District Office contact info above
