- Possess or be able to obtain a **TOP SECRET** security clearance

## SUMMARY OF DUTIES

This is a leadership position located within the 225th Support Squadron. This position requires direct supervision of junior members as well as full involvement in the deliberate development of the junior enlisted force. The Air Defense Sector Cyber Transport Systems Craftsman performs maintenance on modern Local Area Network type Commercial-Off-The-Shelf (COTS) secure computer systems and networks. The SNCO is responsible for the daily operation, software, configuration modification and Preventive Maintenance Inspections on all equipment including, but not limited to, Battle Control System integrated systems, Joint Range Extension (JRE) systems, Air Defense Systems Integrators (ADSI), network routers and switches, fiber and copper infrastructure and Windows, UNIX and LINUX Servers and PC's. Additional responsibilities could include the configuring and daily operation of Cryptographic Equipment such as STEs, KIV-7s, KG-40s, KG-175Ds, KG-84As and KG- 250s. Member should be familiar with Windows and UNIX/LINUX based server-client models, basic PC repair, network fundamentals, (OSI model), and routing/switching protocols. Member will also be considered for rotation throughout the 225th Support Squadron work centers and may be expected to work rotating shifts in a 24/7 work environment. WADS policy requires initial AGR tours up to four years with potential for renewal at the end of current tour. Subsequent AGR tours are limited to a maximum of no more than four years.

## ADDITIONAL INFORMATION

- Equal Employment Opportunity: The Washington National Guard is an equal opportunity employer. Selection for this position will be made without regard to race, religion, national origin, gender, marital status or political affiliation.
- Enlistment/Appointment in the Washington Air National Guard is a condition for retention in the AGR program.
- Potential for promotion in the position is conditional upon assignment to the appropriate UMD grade, compliance with ANGI 36-101 grade compatibility requirements and, if applicable, the availability of an AGR control grade. Selection for the position at a higher grade does not automatically constitute the immediate availability of an AGR control grade required for promotion to the higher grade.
- The process of applying and being nominated does not constitute final selection for nor guarantee this position. Applicants are strongly advised not to make arrangements to move or change jobs until notified of final selection by the Adjutant General of the State of Washington or designated representative.
- Applicants should be able to complete 20 years of active federal service prior to Mandatory Separation Date (MSD) for officers, age 60 for enlisted. If unable to meet this requirement a statement of understanding must be completed prior to start date.
- Military grade cannot exceed the maximum military grade authorized. A member who is overgrade must indicate, in writing, a willingness to be administratively reduced in grade when assigned.
- Point of Contact for general AGR announcements:  
MSgt Lorie Moore, AGR Manager for Air (253) 512-8347
