Must possess or be able to obtain a <b>SECRET</b> security clearance</li> </ol>			
<b>SUMMARY OF DUTIES:</b>			
<p>This position is located within the Medical Group of the 194th Wing, Camp Murray Air National Guard Base, WA. Commands resources engaged in health care. Responsible for personnel required to carry out base health care services. Determines healthcare requirements by analyzing mission and interpreting directives, orders, and instructions. Formulates plans and establishes policies and procedures for delivering healthcare services and assures healthcare support for mission accomplishment. Implements programs such as total force training and disaster preparedness. Directs studies and surveys to determine perceptions of personnel. Implements measures to resolve problems and eliminate conditions contributing to low morale. Directs healthcare activities. Supervises and directs assigned resources to provide quality healthcare services. Arranges quality civilian healthcare services when more cost effective than those available through the military facility or other federal resources. Ensures medical support to meet requirements placed on medical units when personnel are under operational control of the medical commander. Develops medical portion of base plans to provide medical support to the wing and installation. Trains healthcare personnel. Advises installation commander on scope of available healthcare services, healthcare and services required by host-tenant agreements, health of personnel, and health protection requirements and measures. Coordinates healthcare service activities. Conducts staff meetings, convenes and appoints boards, councils, and committees to assist in managing assigned activities. Coordinates training, support, and use of medical units and activities. Coordinates with local healthcare agencies. Ensures deployment readiness of ERPSSP personnel.</p> <p><b>SPECIALIZED EXPERIENCE:</b> For award of AFSC 40C0A, prior experience is mandatory in a medical command position, or experience in one or more senior healthcare management positions within preceding 5 years. Senior healthcare management positions include Chief, Hospital or Clinic Services; Chief Nurse; Base Dental Surgeon; Chief, Aerospace Medicine; Administrator; Biomedical Sciences function; or other clinical or healthcare service or department-level management positions.</p>			
<b>AREA OF CONSIDERATION:</b>			
All members of the WA ANG or those eligible for immediate enlistment into the WA ANG.			
<b>WORKING CONDITIONS:</b>			
This is a mobility position and the successful candidate will maintain personal readiness and comply with all mobility training and other requirements. Though normal duties will be performed in an office environment, occasional duties may be performed on the flightline or in an industrial or recreational setting.			
<b>FORMS REQUIRED IN APPLICATION PACKAGE:</b>			
Applicants will be scheduled for interview once completed package has been received and reviewed. All packages will be considered for all vacancy announcements. Package must be <u>received</u> by the closing date.
