State Preparedness Assessment Program

THIRA
- Tells the story of our threats & hazards
- Defines the impacts of each threat & hazard on each core capability
- Defines the outcomes we want for the most severe impact to each core capability
- Sets performance targets based on the outcomes

Due Dec 31

SPR
- Rates our level of capability
- Looks at the essential elements of every core capability:
  - Planning
  - Organization
  - Equipment
  - Training
  - Exercise
- Workshop-based assessment, using a 1-5 pt. scale, gap description, and recent advances in capability

Due Dec 31

Strategic Planning
- Pulls the THIRA targets and SPR gaps together
- Describes what each core capability means in our state
- Sets at least one strategic objective for each POETE element gap
- Looks forward 3-5 years, reviewed/improved annually, and captured in WA State Core Capability Strategic Planning Framework

Annual Review
• Homeland Security Grant Program
Required a statewide homeland security strategic plan to be updated every two years

Team Washington: A statewide collaborative partnership
EMERGENCY MANAGEMENT DIVISION

Homeland Security Regional Coordination System
2009 – 2014
Washington Statewide All-Hazards
Emergency Preparedness Strategic Plan

WASHINGTON STATE CORE CAPABILITY STRATEGIC PLANNING FRAMEWORK
2018 EDITION

February 28, 2018
Why this format?

➢ Support *gap-based strategic planning*

➢ Make the SPR and THIRA “visible” in a meaningful way, to support *cyclical improvement of both*

➢ Provide a platform for easy *tracking and reporting of capability improvements* from year to year, and an effective tool for core capability leads

➢ Provide a *planning tool/reference that can be used by all stakeholders*
