Note: The State Documentation will be e-mailed to you with instructions. If you have any questions or if you need any assistance, please feel free to contact us.

Note: The FEMA PA Program is jointly conducted by a FEMA-State team. FEMA will be with us throughout Joint Field Office (JFO) operations (approx. 3-4 months). Long term continuity (working Preliminary Damage Assessment (PDA) documentation through Grant Closeout documentation as well as payments and state/federal audit requirements) will be with the State PA Program Delivery Manager (PDM). Ensure any and all correspondence is routed through the State PA Program Delivery Manager (PDM) to ensure continuity through the entire PA grant process.
