

EMERGENCY MANAGEMENT DIVISION

"A disaster-ready and resilient Washington State"

EMPG Update

As of: 17 MAY 2019

17EMPG Turnback Funds

- **Returned funding from large and small counties totaled \$31,551.66**
- **Funds will be used for a statewide project**
 - CEMNET Upgrades
 - EHP will have to be submitted

For consideration: If funds from these two "pots" are returned under future grant years, can CEMNET Upgrades be an ongoing project?

18EMPG Status

- **See "18EMPG EMAG Update" financial handout**
- **Approximately 48% of passthrough funds spent**
- **Three months left in the performance period for most agreements**
 - 1-month extensions can be granted, as needed

EMERGENCY MANAGEMENT DIVISION

"A disaster-ready and resilient Washington State"

19EMPG

- **State application is due to FEMA on May 29**
- **Allocation: \$7,409,645 (increase of \$63,813 from 18EMPG)**
- **NOFO Updates**
 - Period of Performance extended from 2 years to 3 years
 - New requirement for EMPG recipient (SAA only) to develop and maintain a Disaster Management Plan as part of the Emergency Operations Plan/CEMP
- **Local/tribal applications will be released the first week in June with a 6-week application period**
