- Must be able to complete Combat Mission Ready (CMR) requirements within 12 months of acceptance and maintain CT status annually. This position is located within a Battlefield Airman Unit.

- Members wishing to cross-train must be able to meet minimum requirements in AFECD.

AREA OF CONSIDERATION:

All 3D172 or eligible cross-training members who meet FIT requirements and are members of the Washington Air National Guard or those eligible for enlistment in the Washington Air National Guard.

WORKING CONDITIONS:

Work is accomplished occasionally in a maintenance shop, but primarily in an office environment and may involve minor lifting of office items. Periodic skills training will be required in the field. Will involve visits to geographically separated units or deployment locations.

SUMMARY OF DUTIES:

This is a drill status Air National Guard position in the 111 ASOS.

Manage 111 ASOS network infrastructure and equipment maintenance programs to ensure all requirements are met. Work closely with Commander, command staff, section leadership, and Logistics Readiness Squadron (LRS) for status, recommendations, coordination, policy and procedure. Provide guidance and conduct staff assistance visits to ASOG subordinate units to ensure compliance with all HHQ guidance.

INFORMATION

1. The unit POC for this announcement must submit a completed DSG Selection Package to the FSF/FSS certifying validity of the interview and selection process.

INSTRUCTIONS TO APPLICANTS

APPLICATION REQUIREMENTS:

1. Resume

2. Cover Letter (optional)

3. vMPF records review

4. Current AF physical fitness test score

Applicant will be scheduled for interview once a completed package is received and reviewed. A selection board will be held at a future date established by 194 ASOG leadership based on packages received.

EMAIL RESUME TO:	OR SEND TO:
