| <b>POSITION TITLE, GRADE, AFSC, FACILITY:</b>  |                      |                      |                         |
| LOGISTICS PLANS, MSgt or Promotable TSgt, 2G071, Building 118, Camp Murray, WA   |                      |                      |                         |
| <b>MINIMUM REQUIREMENTS FOR CONSIDERATION:</b>   |                      |                      |                         |
| Performs logistics adaptive planning processes. Develops and supervises preparation of logistics annexes for operations plans and orders, programming, general support, contingency, and exercise plans. Prepares, evaluates, and supervises all aspects of deployment planning, dispersal, sustainment, recovery, reconstitution, exercises, and logistics support procedures. Conducts installation surveys to determine support capability, manages limiting factors, and provides planning support for associated units. Performs base support planning processes. Prepares and directs the compiling, coordinating, publishing, distributing, maintaining, and implementing of base support plans. Analyzes and identifies plan supportability. Identifies limiting factors, shortfalls, and alternate support methods to enhance supportability of transiting and bed-down forces.<br><i>*Experience working in a Joint Force environment in either a home station or TDY location preferred but not mandatory</i> |                      |                      |                         |
| <b>SPECIALIZED EXPERIENCE:</b>   |                      |                      |                         |
| Mandatory knowledge/experience in: logistics planning techniques in functional areas of materiel management, maintenance, transportation, contracting, civil engineering, services, force protection, operations, personnel, comptroller, medical and legal for deployed/field conditions; Air Force operations and organization; processes of deployment, bed-down, employment, redeployment, and reconstitution; command and control techniques; techniques of conducting readiness assessments; data processing and electronic data processing equipment; basic budgeting techniques.   |                      |                      |                         |
| <b>OTHER REQUIRMENTS:</b>  |                      |                      |                         |
|  |                      |                      |                         |
| <b>AREA OF CONSIDERATION:</b>  |                      |                      |                         |
| All members of the Washington Air National Guard and those eligible to enlist in the Washington Air National Guard.  |                      |                      |                         |
| <b>WORKING CONDITIONS:</b>   |                      |                      |                         |
| This is a mobility position; the successful candidate will maintain personal readiness and comply with all mobility training and other requirements. Though normal duties occur in an office environment, occasional duties may be performed in the field or in an industrial or recreational setting. Selectee's primary duty is on the HQ Air Staff, but will also perform duty in the WA Joint Operations Center working with partners from the WA Army National Guard and WA Emergency Management Division.  |                      |                      |                         |
| <b>SUMMARY OF DUTIES:</b>  |                      |                      |                         |
| Other duties as assigned.  |                      |                      |                         |
| <b>INSTRUCTIONS TO APPLICANTS</b>  |                      |                      |                         |
| <b>APPLICATION REQUIREMENTS:</b>   |                      |                      |                         |
