**POSITION TITLE, GRADE, AFSC, FACILITY:**
Maintenance Group Deputy Commander, Lieutenant Colonel (0-5), 20C0

**MINIMUM REQUIREMENTS FOR CONSIDERATION:**
1. Officers in the grade of Lt Col (O-5) or Maj (O-4) eligible for promotion within 6 months
2. Must meet current physical health and the Air Force physical fitness standards
3. Must possess a current SECRET security clearance

**SPECIALIZED EXPERIENCE:**
This is not an entry-level position. Directs and monitors logistics programs including supply, transportation, procurement, and maintenance activities. Serves as senior advisor to line commanders.

**AREA OF CONSIDERATION:**
Current members or those eligible for service in the Air National Guard.

**WORKING CONDITIONS:**
Work will include but not be limited to, participation in exercises, inspections, and deployment taskings, both inside and outside, and or in austere conditions.

**SUMMARY OF DUTIES:**
This position is located within the Maintenance Group of the 141st Air Refueling Wing, Fairchild AFB, WA. Directs and organizes logistics programs. Chairs the daily maintenance production/scheduling meeting to verify aircraft and equipment utilization and scheduled maintenance requirements for the next day, establish work priorities, and coordinate schedule changes. Monitors logistics activities. Performs the following reviews weekly: review next week’s flying and maintenance schedule to de-conflict and prioritize aircraft requiring/competing for shared resources. Reviews any overdue special inspections and Time Change Items and planned corrective action. Reviews status of Time Compliance Technical Orders that will ground within 30 days and completion plan. Reviews Depot Field Team/Contract Field Team schedule requirements. Reviews previous week’s deviations to flying and maintenance schedules. Designates mandatory meeting attendees. Develops maintenance capability in conjunction with the production activities. Coordinates logistics programs. Advises commanders on status of logistics programs and ability to meet current and projected requirements. Ensures critical equipment, facilities, and materiel resources are allocated and establishes overall priorities. Represents the 141 MXG in discussions with active duty host unit, state, and higher headquarter agencies; guides MXG mission execution in MXG/CC's absence. Selectee will be required to attend a formal maintenance officer course if he/she hasn’t already been awarded the AFSC.
**INFORMATION**

1. If selectee is an AGR, assumption of position cannot be made until the Manning Change Request (MCR) has been approved by NGB.
2. If this is a promotion announcement, but a change is required to the manning document – the promotion package may not be submitted until the Manning Change Request (MCR) has been approved by NGB.
3. The unit POC for this announcement must submit a completed DSG Selection Package to the FSS certifying validity of the interview and selection process.

**APPLICATION REQUIREMENTS:**

1. Letter of Intent detailing your desire to be a Maintenance Group Deputy Commander
2. Biography (including chronological listing of all military service including inclusive dates, branches of service, units, and location of assignment with a brief recap of duties)
3. Resume
4. Last 5 OPRs (Current Officers)
5. Current Record Review RIP from vMPF (records review)
7. Medical Readiness Report
