SECO Statewide Services Support Policy

This policy defines procedures for the State E911 Coordination Office (SECO) in providing reimbursement for eligible Washington State Counties for Coordinator Professional Development (CPD) and Basic Service Operating (BSO) expenses.

**AUTHORITY:**

1. Per RCW 38.52.540, the State E911 Coordinator is "*authorized to enter into statewide agreements to improve the efficiency of enhanced 911 services for all counties...*"
2. Per RCW 38.52.545: State financial assistance for the operation of 911, consistent with fund availability and legislated expenditure authority, shall be made available for reimbursement of WAC-eligible expenses supporting (in ranked priority):
  1. Statewide Dialing
  2. Basic Service
  3. Capital Equipment

**CONTRACT REQUIRED/ ELIGIBILITY:**

A county is not eligible for reimbursement of WAC eligible expenses from the State 911 account unless they have entered into a contract with the SECO, imposed the maximum 911 excise tax allowed under RCW 82.14B.030 (1), (2), and (3), and have met the following eligibility requirements:

1. **ESINet Security**

PSAPs must comply with any ESINet cybersecurity standards, guidelines, or policies developed and recommended by the Washington State E911 Advisory Committee and adopted by the State E911 Coordinator; and

Counties/PSAPs must maintain any equipment that is directly or indirectly connected to the ESINet according to any standard or best practice recommended by the Washington State 911 Advisory Committee and adopted by the State 911 Coordinator. In the absence of a state standard or best practice, Counties/PSAPs will adopt a policy governing equipment maintenance, that is aligned with NENA standard ANS STA-027.

The SECO will not pay any statewide service costs or enter into a contract with a County unless the 911 County Coordinator certifies that all their PSAPs are in compliance with the ESINet Security and Equipment Maintenance requirements listed above.

2. **County Basic Service Operating (BSO) Section Eligibility**

- a. The county's expenditures for WAC 118-66-050 eligible items (subject to Policy caps where applicable) exceed local E911 Telephone Excise Tax revenues.

- b. The county spent 100% of their local telephone excise tax on WAC eligible items in the previous year (not subject to policy caps).
  - i. A county eligible for basic service operating expenses the previous contract year is presumed to be in compliance with this requirement.
  - ii. A county that was not eligible for basic service operating expenses the previous contract year must demonstrate that they spent 100% of their local revenues on WAC 118-66-050 eligible items (not subject to policy caps).
- c. Basic Service Operating limits are set by policy for each contract performance period and are in addition to CPD reimbursements. Counties that have regionalized are eligible for additional BSO funding (see attached SECO Contract Reimbursement Schedule).
- d. In summary, within the County contract performance period, if a county's local E911 excise tax revenue is less than the total amount available to them under the approved BSO amounts, then the county is eligible for BSO reimbursement up to the established limit (see attached SECO Contract Reimbursement Schedule for established limits).

### **CONTRACT REIMBURSEMENTS**

The SECO reimburses counties under these sections for eligible items that have already been paid by the county.

1. **Coordinator Professional Development (CPD) Expenses**
  - a. CPD expenses benefit all counties and do not require local revenue to be used prior to state reimbursement.
  - b. CPD expenses are reimbursed through BSO and/or CPD contracts.
    - i. Counties may reallocate funds from a CPD line to any other CPD line, category or section, except CPD6.
  - c. Estimating costs for CPD1 and CPD7 should be an average of the previous three (3) years total reimbursements plus 10%. Exceptions may be made with SECO approval.
  - d. Shortfalls for CPD1 and CPD7 costs will be funded with remaining available contract CPD2 through CPD5 funds. If funds are not available, a contract amendment will be processed to cover the shortfall.
2. **Basic Service Operating (BSO) Expenses**
  - a. BSO expenses are reimbursed through BSO Contracts.
  - b. BSO expenses include the following (see attached SECO Contract Reimbursement Schedule for details):
    - i. Basic Service Operating allotment, plus
    - ii. Maintenance Allotment (based on number of authorized call-taking positions, not to exceed a maximum of six (6) positions).
  - c. Counties may reallocate BSO expenses within any line item in the Basic Service Operating Expenses section.
3. **Noncompliance with Contract Deliverables:**

No later than, the conclusion of the third quarter of the contract period, all counties must show all contract CPD deliverables have either been met or will be met by the end of the contract period.

If a county is not able to meet a deliverable:

- a. The County Coordinator may request a wavier or an alternate deliverable, by emailing the SECO County Assistance Program Manager before the end of the third quarter of the contract period.
- b. If a County fails to meet their deliverables and has not been awarded a waiver, a warning letter will be sent to the County Commissioners at the conclusion of the contract period informing them of the unmet deliverable and potential for future financial penalties.
- c. If a county that has received a warning letter within the past five years fails to meet a deliverable in a subsequent contract year, the SECO will send a penalty letter to the County Commissioners informing them that a financial penalty will be imposed on their next contract. The financial penalty

will be a 10% reduction of the CPD Contract the first year a penalty is imposed and will double each subsequent year.

- d. The penalty will be reduced or removed in subsequent contracts if a county meets all of their contract deliverables.

#### 4. Training and Travel Expenses

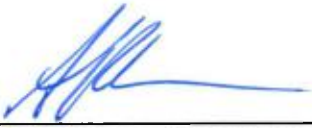

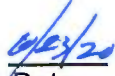

- a. Expenses related to conferences, meeting attendance and training are eligible for reimbursement after the event has been attended. All expenses must have been paid in full and submitted, as a whole, for reimbursement. *Registration* is the only travel expense that may be reimbursed prior to the event being attended.
- b. Internal and contracted employees may use training funds for training that is directly linked to the support and maintenance of WAC eligible 911 equipment
- c. Travel expenses are exempt from the contractual 30-day submittal requirement but must be submitted for reimbursement within 90-days after the actual event.
- d. All reimbursement requests for the current contract period must be submitted no later than July 31.
- e. All training/travel expenses will be reimbursed in accordance with the applicable local jurisdiction travel policy and are not to exceed Washington State travel regulations/rates (see [SAAM Chapter 10 – Travel](#)).
- f. Eligible expenses include: registration fee, airfare, luggage fee, parking, lodging, meals, rental vehicles (agency vehicles that the employee and/or PSAP is charged a fee to use), fuel, toll-fees, travel costs for mileage (personally-owned vehicle), training materials (books, DVDs, CDs, & software), instructors (for in-house training), overtime and backfill salaries while employee is in training/travel status, pay differential for CTO while conducting training, and long distance telephone charges for attending via conference call.
- g. The SECO may request additional documentation to support training reimbursement.
- h. Counties that do not have a contract with the SECO will not be reimbursed for travel expenses unless they are members of the Advisory Committee (AC) Board. AC Board members will be directly reimbursed for eligible travel expenses to attend AC and subcommittee meetings through coordination with the SECO Administrative Assistant.
- i. Attendees other than AC Members, 911 County Coordinators and/or approved representatives will not be reimbursed travel expenses for attending contractual meetings.

#### 5. Ineligible Items

Expenses not directly listed in WAC 118-66-050 are not eligible for reimbursement.

#### EXPENSES AND DOCUMENTATION

1. Counties must submit documentation of expenditures of eligible items to the SECO County Assistance Program staff. Documentation will include vendor name, warrant number and date, and applicable 911 item categorization on forms (Monthly Reports) supplied by the SECO.
2. These monthly expense reports and/or requests for reimbursement must be received by the last day of the month following the month in which the payment was made; unless granted an extension by the SECO County Assistance Program Manager through an email request submitted prior to the deadline. The SECO may impose additional reporting requirements due to State Auditor or SECO contract monitoring findings.
3. Monthly expense reports not received by the due date, including additional hard copy documentation (if required) will not be reimbursed.
4. Monthly expense reports will be processed in the order received by the SECO.
5. The SECO may request additional documentation and/or information from counties pertaining to their reimbursement requests. A delay in providing the requested information will result in a delay or a reduced reimbursement. The item in question will be removed from the reimbursement and will be later added back in after all questions/documentation has been received/reviewed.

SECO Contract Reimbursement Schedule

# SECO CONTRACT REIMBURSEMENT SCHEDULE

More detailed information regarding reimbursements can be found in the following SECO Policies: SECO Public Education, SECO Statewide Services Support, and SECO Salary and Benefits Summary.

Due to 911 modernization initiatives, important time-critical information is shared at meetings. Therefore, it is crucial the 911 County Coordinator or designee attend all meetings, if possible.

Understanding that scheduling conflicts occur, if the 911 County Coordinator is unable to attend a meeting/forum/training and would like to send a representative on their behalf to fulfill contractual obligations, a written request via email must be submitted to the SECO County Assistance Program Manager, prior to attending and incurring expenses.

## COORDINATOR PROFESSIONAL DEVELOPMENT (CPD) EXPENSES SECTION
