## REMARKS:

Many of the officers commanding companies in the 2nd Regiment living at a great distance from the office of the Adjutant General, and the late period at which the service closed, has rendered it impossible to get in the final rolls. But the estimates having been made from the monthly rolls on file, will approximate very nearly to the general result.

\*Company B was commanded first by Capt. Hays, second by Capt. Rabbeson, and last by Capt. Berntrager.

†Company E was first commanded by Capt. Riley and second by 1st Lieutenant Cole.

‡Company G was first commanded by Capt. Van Bokkellin and second by Capt. Smalley.

§Company I was first commanded by Capt. Howe and second by Capt. Bean.
