

STATE OF WASHINGTON  
Washington Military Department  
SOLE SOURCE POSTING

The Washington Military Department contemplates awarding a sole source contract to ESi Acquisition, Inc., a Juvare Company (ESi) to provide a ½-time FTE (full-time equivalent) dedicated to custom WebEOC development.

The contract will be issued on or about April 1, 2021 for 1 years. The dollar value is estimated at \$147,750.00.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements within five (5) calendar days of this announcement. The following information should be included in the capability statements:

- 1) Industry knowledge: Multi-year experience with WebEOC development in the context of emergency management.
- 2) Database and Web interface design and development: Experience with HTML, JavaScript, AJAX, and XML. Experience with WebEOC boards and process permissions.
- 3) Application development and maintenance: Access to ESi WebEOC software source code.
- 4) Data management: Experience with SQL Server in a hosted government cloud environment. Experience with data sharing between disparate instances of WebEOC using WebFusion or Juvare Exchange.
- 5) Ability to merge multiple data sources: Experience with merging WebEOC and ArcGIS using ArcGIS extension.
- 6) Prior experience with federal security rules and regulations.
- 7) Prior experience with military consumables and asset tracking.

In absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
