

POST ON BULLETIN BOARD
DRILL STATUS GUARDSMAN
POSITION VACANCY ANNOUNCEMENT
141st MISSION SUPPORT GROUP
WASHINGTON AIR NATIONAL GUARD
DSG ANNOUNCEMENT # FY-21-04-051

WASHINGTON AIR NATIONAL GUARD	OPENING DATE:	CLOSING DATE:	POSITION NUMBER:
141st Force Support Squadron 5 West Bong Street Fairchild AFB WA 99011	29 April 2021	08 June 2021	0976905
POSITION TITLE, GRADE, AFSC, FACILITY:			
Fatality Search & Recovery Team (FSRT) OIC, O-1 to O-3, 38F3			
MINIMUM REQUIREMENTS FOR CONSIDERATION:			
This position is being offered as a Commissioning Opportunity. Bachelor Undergraduate degree required. Applicant must be less than 33 ½ years of age at time of interview and commissioned by their 35th birthday, 38 ½ with prior enlisted service and commissioned by their 40th birthday. For each year the applicant exceeds age 35, the applicant must have equivalent years of prior enlisted service. (i.e., if 35 years old, must have one year of enlisted service, etc.) No Unfavorable Information Files or criminal convictions. Must possess or be eligible for a Secret security clearance prior to attending technical training.			
AREA OF CONSIDERATION:			
Nationwide. This is a commissioning opportunity. Those eligible for a commission in the Washington Air National Guard; or those with a current commission.			
WORKING CONDITIONS:			
The RSD working conditions are typically within the 141st Force Support Squadron at Fairchild AFB, WA. However, FSRT trainings and missions may require long hours in austere and/or hazardous environments. TDYs and deployments as required to support the mission.			
SUMMARY OF DUTIES:			
The FSRT Officer leads, manages, and directs personnel accomplishing recovery missions, and all required training, with the highest dignity and respect for the affected member(s) and their families. The FSRT OIC duties may require long hours in austere and/or hazardous environments. The FSRT OIC ensures fatality search and recovery capabilities through robust training. The OIC communicates with Federal, State and local governments to develop and enhance working relationships with all involved agencies throughout the FEMA Regions. Additionally, build, develop and maintain a needed relationship with local authorities (i.e. Medical Examiners, Fire Departments, and Coroners Offices) in all counties of FEMA Region 10 to include training and exercises in the event of a natural or manmade disaster. This role provides assistance and guidance, both verbal and written, to concerned and involved personnel. The FSRT participates in natural or manmade disaster response operations, to include federal and state taskings. Ensures all FSRT program measures and actions taken comply with federal, DoD, Air Force, MAJCOM, and local rules, directives, instructions, requirements, and procedures. Plans, develops, coordinates, schedules, accomplishes, and/or monitors various FSRT activities to include military FSRT training. Coordinates with tasking activities to commit FSRT personnel and equipment. Plans and programs FSRT deployments to include requesting manpower (orders/man-days), transportation, facilities, communications, equipment and vehicles, formal training quotas, lodging, and food support.			

SPECIALIZED EXPERIENCE:

The Fatality Search and Recovery Officer will:

- Be proficient in leadership, management and organizational skills.
- Possess strong leadership qualities with character of the highest integrity.
- Demonstrate clear potential for success as a leader and officer in the Washington Air National Guard.
- Experience in DOMOPS and Mortuary Affairs desired, but not required.
- Ability to supervise subordinates which includes: developing and administering standards, performance evaluations and training plans, and directing/prioritizing tasks.
- Ability to read, understand, interpret and administer Air Force Instructions (AFIs), laws, and directives.
- Ability to effectively communicate both orally and in writing with all levels of personnel to include National Guard Bureau.
- Ability to effectively lead personnel.
- Must exhibit exceptional integrity and leadership qualities, while exemplifying the Core Values of the Air Force and the Air National Guard.

OTHER REQUIREMENTS:

- The selected applicant will be required to complete the following FEMA trainings within 6 months of appointment: NIMS 100, 200, 300, 400, 700, 800, Hazmat Awareness, and Hazmat OPS courses
- Must meet all requirements for entry, award, and retention of the 38F AFSC, as outlined in the Officer Classification Directory.
- The selectee will be required to attend the Force Support Officer Course.

INFORMATION

1. If selectee is an AGR, assumption of position cannot be made until the Manning Change Request (MCR) has been approved by NGB.
2. If this is a promotion announcement, but a change is required to the manning document – the promotion package may not be submitted until the Manning Change Request (MCR) has been approved by NGB.
3. The unit POC for this announcement must submit a completed DSG Selection Package to the FSF/FSS certifying validity of the interview and selection process.
