

WA-PAWS -Tab C5B	Monitoring Assignments for Local Primary Stations & Distribution Facilities	9.14.21
------------------	--	---------

INTRODUCTION

The following pages detail the Monitoring Assignments for Local Primary (LP) facilities in Washington State as shown in the following tables Column's 5 & 6 (Mon-1 & Mon-2).

Changes to these assignments may only be made with the express written approval of the Washington State SECC.

See – 47 CFR Part 11

NOTES

- 1- To contact Emergency Management Offices in each Operational Area, see EAS-Tab 2 or WA-PAWS Tab D1.
- 2- Changes, corrections and updates should be directed to the SECC via the Washington State EAS Remailer.
- 3- Color Coding –

Columns 5 and 6 show the – required- Monitoring Sources for each Local Primary.

Entries in these columns are in **Bold** and highlighted in **Yellow**.

Existing monitored sources, shaded **Orange**, may also relay-PEP or NP Sources.

- 4- The Columns Mon-1, Mon-2, etc. are not related to how these sources are connected to the Stations EAS equipment.
- 5- In some Operational Areas Distribution System stations are shown due to lack of local Primary Stations.
