Go to DBIDS pre-enrollment page at <https://dbids-global-enroll.dmdc.mil/preenrollui/#!/>

Fill out all requested information. Please use full legal name. Only primary identifier is required; for most people this will be their Social Security Number.

The screenshot shows a web form for registration. It is divided into several sections:

- Person Name:** Fields for First (John), Middle (Q), Last (McClane), and Suffix (--Select Suffix).
- Date of Birth:** Fields for Month (December), Date (25), and Year (1965).
- Origin:** Fields for Country of Birth (United States) and Citizenship (United States).
- Primary Identifier:** A section with a dropdown for Type (SSN) and a text input for Value (111223333).

**Sponsor Name and Contact Information:** For full-time state employees: please utilize **Elyse Anderson (253) 512-7390** in the sponsor information block and enter in a full year from today's date for the date of visit. The pre-registration system is designed for short term passes as well, so all this information can be edited and corrected when you come in to verify and finalize your registration. We will utilize the expiration date on your REAL ID Act compliant identification for the actual valid dates. Additionally, **please put Air Force as the service regardless of which service you are assigned under**, select **Washington as the state**, and search to **find Camp Murray**. This is to make sure your pre-registration connects to our database rather than a different installation. For purpose of visit, just put "Full time employee" or something similar so we know that it is not for just a short-term pass.
