<b>SUMMARY OF DUTIES:</b> (Note 2)			
<p>The purpose of this position is to fill the role of commander for an Intelligence Squadron. When activated, the squadron's mission is to defend the nation's warfighter weapon systems supporting the nation's war-fighting capabilities. The commander takes all necessary actions consistent with law and policy to organize, train, equip and execute the unit mission.</p> <p>Accordingly this position requires highly developed program management competencies in the areas of mission execution, leadership, resource management and organizational improvement. In addition the commander is the lawful authority responsible for promoting and safeguarding the morale, physical well-being, and the general welfare of persons under their command and is responsible for the efficient stewardship of all assets assigned to the unit.</p> <p>In support of these functions, the commander is responsible for primary coordination between all agencies external to the squadron including, but not limited to National Guard Bureau (NGB), Air Combat Command (ACC), Group and Wing leadership and other State and Federal agencies as assigned.</p> <p>Finally, the squadron commander is the primary spokesman for the unit who receives and interprets higher-echelon commander intent and aligns unit priorities and programs consistent with this intent. Effectiveness in this task requires exceptional verbal, written and oratorical abilities inspiring followership and promoting good order and discipline.</p>
