Special Instructions

Emergency Clean and dry for building due to water damage. The estimated cost to mitigate the water damage located at 6224 2nd Division Drive is \$37,545 plus tax. This includes equipment (approximately 55 air movers and 30 dehumidifiers) and labor (approximately 115 hours) based off of the attached pricing including prevailing wage. This scope is to remove cove base and drill holes as needed, remove affected ceiling tiles, set up all equipment and to monitor on a daily basis for 5 days. Prior written approval, in the form of a purchase order, is required by WMD to increase the costs of the project if the dry time takes longer than 5 days.

FL6224 is a 75% federally reimbursed.
