RFP23-018 Olympia Armory Interpretive Sign

Bids Due: September 22, 2022

Questions	Responses
What size is the WMD looking for?	This has not been defined yet as the design will be the result of stakeholder meetings and final sign placement.
Do you have any materials in mind or should we recommend something?	Recommendations are welcomed, the final decision will be part of the stakeholder designing process.
Just one single item?	One sign and supporting electronic files for recreating the sign if damaged in the future. Vendor must also provide draft designs to the committee for approval.
Installation? Is so what is the address in order to calculate the distance and to see obstructions or equipment necessary?	515 Eastside St SE, Olympia, WA 98501, exact location on site TBD.
Is any hardware necessary? Is this going on a wall, a podium, in a frame?	This sign will be installed in the ground. Contractor should acquire permits.
Do you have artwork, or are we going to design something from scratch?	Design from scratch.
