The Washington National Guard Joint Services Support (JSS) is designed as an integrated organization consisting of 13 different programs; each with its own team of Subject Matter Experts. The programs work together to provide excellent services and resources for Service Members, their Families and Veterans. All services are conveniently housed under one roof at Building 3 on Camp Murray and satellite/JSS sites are located at various armories and Readiness Centers throughout the Washington state.

Sexual Assault Prevention and Response (SAPR)

Sexual Assault Prevention & Response (SAPR): Conducts comprehensive program that centers on awareness and prevention, training and education, victim advocacy, response, reporting, and accountability.

Resilience, Risk Reduction & Suicide Prevention (R3SP)

Resilience: Efforts to increase physical and psychological health and enhance the performance of Service members, families, and DoD civilians.

Substance Abuse: A continuum of substance abuse services to include; reducing risk through prevention education, deterrence with drug testing, assessment, Unit Risk Inventory (URI), and risk mitigation plans.

Suicide Prevention: The development and enhancement of policies, training, data collection and analysis, community resources, and strategic communications designed to minimize suicidal behavior.

Military Family Life Consultant (MFLC)

MFLCS provide free, confidential, short term, non medical, solution focused counseling for WNG and their families. MFLCs can support WNGs and their families with stress management, deployment and reintegration, transitions, relationships, managing work related problems and grief and loss. They also offer guidance with staff and support personnel.

Psychological Health Program:

Advocates, promotes, and guides National Guard Members and their Families by supporting psychological fitness for operational readiness.

Alcohol/Substance Abuse Prevention Coordinator

We coordinates all substance abuse and risk reduction activities, assists commanders in identifying and referring Soldiers with known or possible substance abuse issues, and monitors and evaluates referral, separation and completion rates. Conduct prevention training and administer the Unit Risk Inventory to all Units. Train all Unit Prevention Leaders and provides guidance on monthly urine analysis and guidance to leadership when urine analysis are positive.

Work For Warriors (WFW)

Assists Service Members with developing employment opportunities through: career guidance, Job skills assessments, resume development and interview skills development.

Master Resiliency Training (MRT) Program

Provides leaders with an opportunity to enhance their leadership and effectiveness as well as teach resilience skills to Soldiers, family members, and DA civilians. 14 skills are taught allow Soldiers to develop themselves and others as well as develop the ability to understand their own thoughts, emotions and behaviors. This helps to master skills to strengthen relationships, communication strategies, and discuss problems effectively.

Employer Support of the Guard and Reserve (ESGR)

A DOD Program to promote cooperation and understanding between Guard & Reserve Service Members and their civilian employers. Supported by over 70 volunteers throughout Washington State from small business, government and industry.

Military Soldier and Family Readiness Specialist:

Provides comprehensive, coordinated, responsive services in support of Service Members, Families, and Veterans of all branches. Essential services include: crisis intervention; counseling; financial resources; Tri-Care medical and dental resources; legal resources; DEERS enrollment eligibility; outreach information and referrals to appropriate service agencies. Empower Commanders and SFRGs in their duty to deliver the "Total Army Family Program" so that Soldiers and Families are informed, educated, assisted, and ready for the unique demands of military life before, during, and after deployment.

Yellow Ribbon Reintegration Program (YRRP)

Provides information and resources to Service Members and their Families, follows the deployment cycle with tailored events and information, and provides resources for children on the topic of deployment.

Child & Youth Services (CYS)

Positively impacts Service the Member / Family Readiness, Resilience, Retention and Quality of Life by providing secure, timely, flexible and quality Youth Development opportunities and resources through promoting the overall well-being of National Guard Youth.

Survivor Outreach Services (SOS)

Embraces and reassures Survivors that they are continually linked to the "Military Family" through a unified support program that enables survivor to remain as an important part of the Military for as long as they choose.

WAARNG Transition Assistance Specialists (TAS) & Reserve Component Transition Assistance Advisor (TAA)

Assists with compensation for injuries or illness sustained because of military duty. Helps with VA processing for qualified programs, locating military/medical history and provides referrals to all other federal/state programs.
