Performance Requirements

Instructions:

Bidders submitting a proposal must complete and submit an Attachment C for evaluation purposes.

Performance Requirements: Bidder must respond to each requirement as noted in the instructions below.

- Review all requirements, priorities and provided definitions:
 - Mandatory Pass/Fail (M):** Minimum requirement; Bidder that does not meet this requirement will not be considered any further.
 - Mandatory Scored (MS):** Critical requirement; evaluators will score based on the degree to which Bidder's response meets the requirement.
 - Desirable Scored (DS):** Desirable requirement; evaluators will score based on the degree to which Bidder's response meets the requirement.
- Using the **Bidder Meets Requirement** column, Bidder must select either a "Yes" or "No" to indicate the Bidder's ability to meet the requirement. **Any entry that is not either a "Yes" or "No", may be deemed non-responsive and will not be considered any further.**
- Bidder must respond in the **Written Response** column for every requirement that indicates a "Written Response Required". **Written responses must not reference any material present elsewhere. The written response shall be considered complete and stand on its own merits or may be deemed non-responsive.**

PERFORMANCE REQUIREMENTS AND FACTORS					
REQ ID	Performance Requirement and Stated Business Need	Points Available	Priority	Bidder's Compliance	Written Response
1.	Bidder must have an existing website with the ability for Purchasers to complete online orders.	15	DS	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Website – www.pack4promos.com – is a catalog of thousands of products that potential customers can browse. For security reasons and to interact personally with Purchasers, I do not offer the option to order products directly from my website. Instead, a Purchaser sends me an inquiry about a particular product, and I contact the Purchaser to create a purchase order.
