COVER LETTER

Name: SSG Catherine Trujillo

Current Home Address: 3202 Libby Drive, Lacey, WA 98501

Current Occupation: Supply Sergeant

Willing to relocate: Yes

Personal Interests/Hobbies:

Camping, Hiking, Kayaking, Photography, Pet Sitting.

Personal/Professional Goals:

Traveling to Alabama, Advancement in Aviation as a Pilot

To Whom it May Concern:

I have served as an Active Guard Reserve Soldier for the last seven years and while in Delta Company 1-168 General Aviation Support Battalion, I developed a passion and strong desire to become an Army aviator. I will resign my full time guaranteed employment to become a pilot. I want to be an example to soldiers and make an impact on females everywhere to step up and follow a dream. I am a senior NCO and this is the next step in my progression as a leader. I have been given the highest recommendation from Assistant Adjutant General Brigadier General Daniel Dent to become an aviator.

I served as Photo Journalist where I deployed supporting Cobra Gold 13 in Thailand and in Puerto Rico in support of EOD Certification. I participated in building and maintaining relationships and met soldiers who would give their lives to ensure the secure disposal of explosive weaponry. I worked with Washington State Counter Drug Task Force Special Operations Soldiers while they trained Drug Enforcement Agency. These men and women shaped me into a better Soldier by proximity. I documented their stories while they developed me as a soldier and leader.

I served as a Military Police Officer in OEF during 2008 to 2010 where I assisted CID on assault, attempted homicide investigations and interviews. Those observations taught me great leadership, planning and execution of a mission is essential and every player from lowest to highest are essential in our collective goals. I have never been more mentally ready, physically fit and prepared to pursue this challenge of becoming a pilot. I have the full support of my unit, my family and my mentors who know I will succeed in making aviation my lifelong career. I request favorable consideration of the board so that I may attend Initial Entry Rotary Wing Training at Fort Novasek, AL.

Thank you for your consideration.
