Guidance for obtaining Operational Area Plans

1- **Follow the links listed to the desired Operation Area Plan for your service area.**

2- **Down load the material**

3- **Print it if having a hard copy for your WA-PAWS Plan binder.**

4- **Punch holes to fit the rings in your WA-PAWS Plan Binder**

5- **Place it in your binder under Tab D3**

IMPORTANT –
If your facility covers or serves all or portions of more than one Operational Area – include a copy of those additional area Operational Plans as well as needed, and if printing and placing in a binder.
