COLUMBIA GORGE	Columbia Gorge follows the Oregon State RMT test schedule (see www.sbe124.org).
----------------	--

In the event a Local Area agency is unable to originate a scheduled RMT, it will contact the Washington State Emergency Operations Center (1-800-258-5990) **at least 3 business days in advance** and provide the necessary language and FIPS codes to originate the RMT on the agency's behalf. LECC chairs may also contact the State EOC to request this assistance. The State EOC will confirm language and FIPS codes with the agency prior to originating the substitute RMT. The LECC Chair is also authorized to verify with the State EOC that the substitute RMT has been scheduled.

- (1) The May RMT will be part of Pierce County's annual lahar test. (1st Tuesday of the month, 10 AM, Central Puget Sound area.)
- (2) The day-night order for September and October is reversed so the October test can run as part of the Great Shakeout.
- (3) The October test will be part of the Great Shakeout earthquake preparedness drill.
