

Extreme Weather Response Grant for Extreme Heat, Cold or Poor Air Quality Shelters

Which funding category applies to you?

Shelter Preparedness Funds

- ✓ You are a town, city, county, or tribe and play a role in your jurisdictions' emergency plans for extreme weather events.
- ✓ You are preparing, establishing, upgrading, or expanding a shelter **prior** to an extreme weather event.
- ✓ You are incurring costs for your needs **prior** to an extreme weather event.
- ✓ You are requesting one or more of the following:
 - Equipment (e.g. portable air conditioner, fans, generators, etc.)
 - Supplies to prepare the shelter (e.g. cots, beddings, sanitation and hygiene supplies, food, water, medical supplies, etc.)
 - Upgrades or installation of HVAC System, insulation, ventilation, accessibility and pet-friendly features, of a shelter facility.
 - Community Outreach and communication materials, or translation services.

Submit a [Pre-Application Online](#) by July 10th!

**Eligible jurisdictions
can apply for both!**

Response Funds

- ✓ You are a town, city, county, or tribe and play a role in your jurisdictions' emergency plans for extreme weather events.
- ✓ You **anticipate** incurring shelter costs **during** an extreme weather event for one or more of the following:
 - Rental fees for room or facility, hotel, shelter contractor fees, security services, and/or liability insurance. *Shelter must be a public building or contracted/donated space and open to the public at no cost.
 - Transporting individuals and pets to shelters
 - Purchasing equipment or other supplies needed for congregate shelters including rental of equipment, purchase of basic supplies, pet supplies
 - Staffing costs for overall shelter operations and coordination during shelter operating periods
 - Other related response activities necessary for life safety during a period of extremely hot or cold weather or in situations of severe poor air quality from wildfire smoke as determined by the department.

Submit a [Response Funds Application Online](#) soon!

IMPORTANT NOTE: There are requirements for a reimbursement request to be eligible under these funds such as notifying EMD of shelter opening period. Ensure you read the requirements in the Grant Program Plan.
