Form 1 -- WYCA Sports Physical

MUST BE WITHIN 1 YEAR OF ENTRY

Medical Provider - Please Note

The WYCA is a 5½ month residential program that conducts rigorous physical training daily. Our physical training program is taken directly from the U.S. Army Physical Training manual. Our focus is on 3 stages of exercise: toughening, conditioning, and sustainment. Applicants will run several times a week and develop muscular strength and endurance through calisthenics and functional fitness.

Applicant Name			Date of Birth				
Date of Exam	Height	Weight	Present Health (circle) Good Average Poor				

WYCA Physical Exam and Medical History – check each item. If yes, add the age of occurrence/onset and explain on the next page.

Form 7 -- WYCA Authorization to Release Medical Information

Appli	<mark>cant Name</mark>	Date of Birth	

Medical/Dental Provider

The Washington Youth ChalleNGe Academy Health Center located at 1207 Carver St., Bremerton is a division of the Washington Military Department (WMD) and is authorized to receive and use the information in connection with my medical history, treatment and physical or mental health examination. I further authorize that a photocopy of this medical release may be used by the Washington Youth ChalleNGe Academy to request and obtain medical information.

Specific description of information: complete medical record for all dates of service and all admissions including, but not limited to history and physical exam; progress notes; office notes and letters; office charts; laboratory reports; diagnostic test reports including, but not limited to MRI, CT scan, bone scan, x-ray reports or films, inpatient admissions, and discharge reports; and physical therapy. This information may include medical services including **psychiatric care, alcohol and drug rehabilitation** and communicable diseases that may also affect my attendance in an intense residential program.

The purpose of use or disclosure of patient information is for my application and attendance in a residential education program. Patient information may be used or disclosed to determine, administer and/or coordinate a treatment plan and/or litigate a claim. Patient information may be re-disclosed to the parties, their agents and representatives; to the WYCA and the WMD independent medical examiners and/or care providers contracted by the WYCA patient's private insurance or health program coverage provided by the State of WA Washington entities involved in any third-party action arising out of providing medical care, the Attorney General's Office, county and/or district courts, and any of my past or present health care providers. I also understand that I may revoke this consent at any time except to the extent that action has been taken. This consent automatically expires thirty-six (36) months from the date my application is accepted, and I am officially registered as a Cadet in the WYCA.

- I understand that I am entitled to receive a copy of this authorization.
- I understand that I may revoke this authorization at any time by notifying the providing organization in writing; however, such revocation will not affect any actions the provider took before it received the revocation. Any use or disclosure made prior to the revocation of this authorization will not be affected by a revocation.
- I understand that I may refuse to sign this form; however, the lack of appropriate medical information may affect the processing of my application or attendance in the program.

I hereby authorize the use and/or disclosure of my individually identifiable health information as described above. I understand that this authorization is voluntary. I understand that the released information may be subject to re-disclosure by the recipients only as required to process a claim for benefits and no longer be protected by federal privacy regulations.

Completed by All Applicants and Parent/Guardian
