Washington Military Department**

EMERGENCY MANAGEMENT DIVISION

**RFP25-009**

**REQUEST FOR PROPOSAL**  
for a  
**Statewide Computer Aided Dispatch (CAD) to CAD System**

## Introduction

This Request for Proposals (RFP) is a competitive procurement issued by the Washington Military Department (WMD) pursuant to RCW chapter 39.26. The Washington Military Department intends to establish and award a contract for a Computer Aided Dispatch (CAD) to CAD System with a contract term of 5 year(s) with 2 possible 5-year extensions contingent upon satisfactorily implementing and delivering the requirements of this RFP.

This RFP is divided into 5 Sections:

- Section 1 - Deadlines and Questions
- Section 2 - Information about the Procurement
- Section 3 - How to Prepare and Submit a Proposal for this RFP
- Section 4 - Proposal Evaluation
- Section 5 - Contract Award

This RFP in no way obligates or otherwise commits the WMD to awarding a contract, and the WMD reserves the right to cancel this RFP if it is considered to be in the best interests of the WMD.

This RFP is contingent on available funding, and although the WMD anticipates immediate execution of the contract, there may be some delays in obtaining the necessary funds. This contingency on available funding may cause the WMD to postpone, alter, or cancel the project.

For transparency purposes, the awarded bid(s) and bid award documents will be posted on WMD's website after an award is made. Other bids will be made available upon request.

In addition, this RFP includes the following Attachments and Figures:

- **Attachment A1 – Bidder's Responsiveness Checklist.** This attachment notates WMD's review of each proposal to determine if the proposal is complete.

- **Attachment A2- Bidder's Certification:** This attachment includes the Bidder's acknowledgement of their compliance with the conditions of this RFP.
- **Attachment A3 – Bidder's Profile:** This attachment identifies the information that the Bidder must provide to the WMD.
- **Attachment B1 – Proposed Contract:** This attachment is the proposed form of the contract to be awarded as a result of this RFP.
- **Attachment B2 – Contract Issues List:** This attachment outlines the Bidder's issues, if any, and proposed resolution if they have any business concerns with the form of the contract to be awarded. Note, however, that the WMD reserves the right not to modify the contract and to award the contract on the basis of a Bidder's willingness to agree to the contract.
- **Attachment C – Technical Requirements:** This attachment details the technical requirements for this RFP.
- **Attachment D – Bid Sheet:** This attachment provides information that bidders will complete as part of their bid and the price evaluation tool that WMD will use to evaluate and compare bids.
- **Attachment E – Complaint, Debrief, & Protest Requirements:** This attachment details the applicable requirements to file a complaint, request a debriefing conference, or file a protest regarding this RFP.
- **Attachment F - Diverse Business Inclusion Plan – Subcontractors:** This attachment details the Diverse Business Inclusion Plans that are required for bidders who plan to utilize subcontractors to perform the contract, if awarded.
- **Attachment G – Doing Business with the State of Washington:** This attachment provides information regarding contracting with the State of Washington.

**SECTION 1 – DEADLINES AND QUESTIONS**

This section identifies important deadlines for this RFP and where to direct questions regarding the RFP.

**Important dates:** The following table identifies important dates for this RFP:

## SECTION 2 – INFORMATION ABOUT THE PROCUREMENT

**2.1. PURPOSE OF THE PROCUREMENT.** The purpose of this Competitive Solicitation is to receive competitive bids to evaluate and, as appropriate, award a Contract for WMD to procure a Computer Aided Dispatch (CAD)-to-CAD System as set forth herein. Pursuant to Washington's Procurement Code for Goods and Services, RCW chap. 39.26, state agency purchases of goods and services must be based on a competitive solicitation process in which the Contract is awarded to the lowest responsive, responsible bidder.

### 2.2 SCOPE OF WORK OF THE PROCUREMENT.

The purpose of this RFP is to acquire a Computer-Aided Dispatch (CAD)-to-CAD integration solution designed to connect disparate locally owned and operated CAD systems within the State of Washington to facilitate emergency responses that cross jurisdictional and Public Safety Answering Point (PSAP) boundaries.

The project will include no less than four phases (to be negotiated in the bidder's contract), the completion of each will trigger a milestone payment. Phases represent a functional implementation and not a set period of time, thus phase 2 can begin as soon as the PSAPs enlisting in phase 1 are connected and operational, successfully completing all User Acceptance Testing (UAT) protocols:

**Phase 1:** enrolls between 1 and 10 ESInet-connected PSAPs representing a variety of CAD systems and functional levels.

**Phase 2:** enrolls an additional 1 to 10 ESInet-connected PSAPs for a total of up to 20 PSAPs connected and functional at the end of this phase. Service Level Agreements would take effect during this phase of the project as it is assumed that full functionality of the agreed upon levels has been established.

**Phase 3:** enrolls an additional 5 to 20 ESInet-connected PSAPs for a total of up to 40 PSAPs connected and functional at the end of this phase.

**Phase 4:** enrolls the final ESInet-connected PSAPs.

After Phase 4, non-ESInet-connected PSAPs, Dispatch Centers, and Public Safety adjacent users may begin the connection/subscription/opt-in process – with the caveat that the State 911 Office has adopted the appropriate governance documents for such endeavors.

The solution will accomplish this interoperability by providing the capability for all CAD systems within the state to interoperate/share data at the following functional levels:

### **Level 1 – Push Notification/Message**

Connected **PSAP A** can create a message for any other connected PSAP or organization to let them know of a request for service, unit status, or other message of mutual concern. CAD-connected recipients could respond or acknowledge the messages received.

### **Level 2 – Incident Push**

Connected **PSAP A** can create a CAD incident for any other connected PSAP and see updates as the intended PSAP dispatches resources, adds notes, and generally updates the event. This is distinct from a Push Notification/Message in that data has been attributed to the appropriate CAD fields and shared with another CAD-based user PSAP. This level **may** involve use of geo-location and GIS address validations to determine the agency having jurisdiction.

### **Level 3 – Shared Incident/Event (Desired or Future Functionality)**

Connected **PSAP A** can create a CAD incident for any other connected PSAP and retain joint ‘ownership’ of the event, wherein the originating PSAP receives an acknowledgement that the intended PSAP has received the event, each PSAP can see resources being assigned, notes added, etc. This level may only be utilized by a limited number of PSAPs and is not considered to be a functionality expected at all connected PSAPs.

### **Level 4 – Shared Resources (Desired Long-term Functionality to Selected Participants)**

Connected **PSAP A** can be assigned or assume dispatching duties for another, pre-designated PSAP. Functionality would extend to virtually all aspects of CAD functionality, including visualizing resource and responder status, in-progress and queued incident details, and the ability to update existing or create new incidents on the other PSAP’s behalf. This level may only be utilized by a limited number of PSAPs and is not considered to be functionality expected at all connected PSAPs. This level of functionality would also allow neighboring PSAPs to all for sharing of selected resource statuses and locations.

### **Type 5 – Shared View**

Connected PSAPs can elect to share specific call types or response types with connected entities that are not PSAPs, such as non-911 dispatching centers, public works agencies, hospitals, private ambulance services, etc. The connected PSAP would define all aspects of the type of and extent to which information could be shared or pushed to ‘subscriber’ agencies. Connected PSAPs would have a mechanism in place to stop sharing an incident at any point during the CAD incident workflow and/or life cycle.

The project’s goal is to facilitate the transfer and/or request of neighboring agencies’ resources. Location and status information will enable each CAD system to recommend resources based on call type and incident location to ensure the fastest capable resource responds to minimize response times to an emergency incident.

The initial phase of this project will focus on Primary PSAPs and ESInet connected PSAPs in the state. Subsequent phases should allow for non-ESInet connected PSAPs and public safety adjacent agencies and organizations to connect, with primary PSAPs able to grant read-access to those agencies.

The ultimate operational intent of this project serves multiple purposes – allowing primary PSAPs to fully leverage policy routing features for next generation 911 calls and allowing public safety adjacent organizations to ‘subscribe’ to PSAPs and incident types to share in greater situational awareness and facilitate more efficient incident response.

***Bidders should provide detailed costing schedules with their responses to allow WMD to fully understand the price-point differences between functional levels as well as one-time costs and recurring costs and the ongoing maintenance costs associated that level of connectivity.*** Bidders should also provide a detailed pricing schedule that describes the costs (both non-recurring and recurring) associated with connected users changing functional levels.

**The following are the proposed Service Level Agreements:**

The following SLAs describe the definition, measurement method, objective, and rights and remedies for each category. *The following SLAs are not intended to supersede any regulatory or statutory requirements and/or penalties imposed by the Federal Communications Commission (FCC), or any other legislative oversight Washington state Utilities and Transportation Commission, or any other legislative oversight.*

**B1. Critical Failure**

***Definition:*** The CAD Interoperability System shall be available 24/7/365. Failure is defined as any CAD Interoperability System failure that prevents the sharing of data available in the system between PSAPs.

***Measurement Method:*** Critical Failure is calculated by adding the total number of minutes (consecutive or non-consecutive) that the CAD Interoperability System is unavailable during the month or reporting period.

***Objectives, Rights and Remedies: Tier 1:*** Any System failure greater than five (5) minutes and less than forty-four (44) minutes.

Each tier 1 occurrence of a failure to meet this SLA objective shall result in a twenty percent (20%) credit of the CAD Interoperability Service monthly recurring cost (MRC) for the affected PSAP(s).

***Tier 2:*** Any outage forty-four (44) to two hundred and forty (240) minutes.

Each tier 2 occurrence of a failure to meet this SLA objective shall result in a fifty percent (50%) credit of the CAD Interoperability Service monthly recurring cost (MRC) for the affected PSAP(s).

***Tier 3:*** Any outage two hundred and forty-one (241) minutes to four hundred eighty (480) minutes.

Each tier 3 occurrence of a failure to meet this SLA objective shall result in a seventy-five percent (75%) credit of the CAD Interoperability Service monthly recurring cost (MRC) for the affected PSAP(s).

***Tier 4:*** Any outage exceeding four hundred eighty-one (481) minutes.

Each tier 4 occurrence of a failure to meet this SLA objective shall result in a one hundred percent (100%) credit of the CAD Interoperability Service monthly recurring cost (MRC) for the affected PSAP(s).

**B2. Critical Failure Notifications**

***Definition:*** Outage is defined as critical failure of the CAD Interoperability System (as defined in time-to-repair critical failure SLA).

***Measurement Method:*** Critical failure with a duration of fifteen (15) minutes or more.

***Objectives, Rights, and Remedies:*** Notification to the affected PSAP(s) and SECO of all outages of fifteen (15) minutes or more.

One thousand dollars (\$1,000) credit to each PSAP or SECO for failure to notify each within the fifteen (15) minutes of outage. Failure to report continuing after the initial fifteen (15) minutes will result in an additional \$5,000 per every five (5) minute increment. Not to exceed \$25,000 per PSAP/SECO per outage.

### **B3. Monthly SLA Reporting**

**Definition:** Contractor(s) shall provide SLA reports to the SECO for each month of activity during the term of the Contract.

**Measurement Method:** Calendar days

**Objectives, Rights, and Remedies:** Contractor(s) shall deliver accurate and complete mutually agreed upon reports no more than ten calendar days following the end of the applicable reporting month.

Each occurrence of a failure to meet the objective shall result in a \$1,000 credit for each business day that the report is not delivered.

### **B4. SLA Remittance**

**Definition:** Timely remittance of service credits to the SECO for missed SLA objectives.

**Measurement Method:** Billing cycle.

**Objectives, Rights, and Remedies:** Credit shall be applied to the invoice no more than two (2) billing cycles after acknowledgment by the SECO.

Each occurrence of an SLA remedy (credit) that is not remitted within two (2) billing cycles will result in an additional \$5,000 remittance for each billing cycle that the credit is not issued.

### **B5. Notified of Planned Maintenance**

**Definition:** All planned maintenance shall be communicated to the SECO and PSAPs via written and verbal notification and must be accompanied by a justification.

**Measurement Method:** Notification shall occur no less than forty-eight (48) hours prior to the planned maintenance period.

**Objectives, Rights, and Remedies:** To provide advanced warning, enabling SECO and the PSAPs time to prepare.

Lack of forty-eight (48) hour notice shall result in a one-time credit to the SECO of \$10,000.

### **B6. Root Cause Analysis for Critical Outages**

**Definition:** Root cause analysis (RCA) shall be provided to SECO for any critical outages. SECO shall have review privileges prior to submittal of a final version of the RCA.

**Measurement Method:** Calendar days: Contractor shall provide RCA within fifteen (15) business days of any critical outage.

**Objectives, Rights, and Remedies:** To give SECO visibility into the CAD Interoperability system.

Failure to provide RCA within fifteen (15) business days of the critical outage shall result in a \$500 credit per day.

- 2.3 CONTRACT TERM.** The Contract is for a five (5) year period with the possibility of two (2) five (5) year extensions contingent upon successful delivery and implementation of the functionality identified within this RFP.

**2.4 Estimated Contract Value.** Although WMD does not represent or guarantee any minimum purchase from the Contract, WMD anticipates the budget for this project to be between \$3 million (\$3,000,000) and \$4.8 million (\$4,800,000.00).

**2.5 CONDITIONS OF WORKING ON-SITE.** Successful Bidders must be willing to work on the WAARNG/WMD installations during normal business hours and on the availability of site personnel. Generally, this is Tuesday through Friday from 7:00 am through 4:30 pm. Any site work NOT within the agency's core hours is to be coordinated and scheduled a minimum of one (1) week in advance of the site visit. This will allow personnel to be present and available during those hours. Failure to provide advance notice may result in temporary denial of access to the installation and/or time delays and interruptions of daily operations at Camp Murray.

**2.6 SUBCONTRACTOR PARTICIPATION MONITORING AND REPORTING** Once a contract is awarded through the solicitation or proposal process, the awarded Prime Contractor is obligated to complete the vendor registration in Access Equity. Access Equity is a secure online vendor management system (B2GNow). Confidential information (Tax ID, etc.) will not be published. Prime Contractors that have previously registered with B2Gnow for any public entity, must verify the system has updated information. Contractors can access the system at <https://omwbe.diversitycompliance.com/> or through a direct link on the Office of Minority and Women's Business Enterprises (OMWBE) website at: <https://omwbe.wa.gov/>.

Each month during the contract, the Prime Contractor will report payments to ALL Subcontractors through the Access Equity system. This monthly reporting information includes total payment in dollars made to the Subcontractor, payment dates, and any additional information required to verify payment to Subcontractors. The Prime Contractor will enter this payment information into the Access Equity system, and the Subcontractors will verify this payment information in the system. Online training is available through the Access Equity/B2Gnow system. This requirement applies to both Prime Contractors and Subcontractors.

### **SECTION 3 – HOW TO PREPARE AND SUBMIT A PROPOSAL FOR THIS RFP**

---

This section identifies how to prepare and submit a proposal to the WMD for this RFP. By responding to this RFP and submitting a bid, bidder acknowledges having read and understood the entire RFP and accepts all information contained within this RFP.

**3.1. Pre-Bid Conference.** WMD will host a Competitive Solicitation pre-bid conference at the time and location indicated in Section 1 of this Competitive Solicitation. Attendance is not mandatory. Bidders, however, are encouraged to attend and participate. The purpose of the pre-bid conference is to clarify the Competitive Solicitation as needed and raise any issues or concerns that bidders may have. If changes to the Competitive Solicitation are required as a result of the pre-bid conference, the Procurement Coordinator will post an amendment to this Competitive Solicitation to WEBS. Assistance for disabled, blind, or hearing-impaired persons who wish to attend the pre-bid conference is available with prior arrangement by contacting the Procurement Coordinator.

**3.2. BIDDER COMMUNICATIONS AND QUESTIONS.** During the RFP process, all bidder communications regarding this RFP must be directed to the Procurement Coordinator as set forth in **Section 1** of this RFP. Bidders should rely only on this RFP and written amendments to the RFP issued by the Procurement Coordinator. In no event will oral communications regarding the RFP be binding.

- Bidders are encouraged to make any inquiry regarding the RFP as early in the process as possible to allow WMD to consider and, if warranted, respond to the inquiry. If a bidder does not notify WMD of an issue, exception, addition, or omission, WMD may consider the matter waived by the bidder for protest purposes.
- If bidder inquiries result in changes to the RFP, written amendments to the RFP will be issued and posted on WEBS.

- Unauthorized contact regarding this RFP with other state employees involved with the RFP may result in bidder disqualification.

**3.3. PRICING.** Proposal prices must include all cost components needed for the delivery of the goods and/or services as described in this RFP. A bidder's failure to identify all costs in a manner consistent with the instructions in this RFP is sufficient grounds for disqualification.

Inclusive Pricing: Bidders must identify and include all cost elements in their pricing. In the event that the bidder is awarded a contract, the total price for the goods and/or services shall be bidder's price as submitted. Except as provided in the contract, there shall be no additional costs of any kind.

Credit Cards (P-Cards): In the event that bidder is awarded a Contract, the total price for the goods and/or services shall be the same regardless of whether Purchasers make payment by cash, credit card, or electronic payment. Bidder shall bear, in full, any processing or surcharge fees associated with the use of credit cards or electronic payment.

**3.4. PROPOSAL SUBMITTAL CHECKLIST – REQUIRED PROPOSAL SUBMITTALS.** This section identifies the proposal submittals that must be provided to WMD to constitute a responsive proposal. The checklist provided below includes all of the documentation that must be submitted to be considered a complete proposal. Proposals that do not include the submittals identified below may be rejected as nonresponsive. In addition, a bidder's failure to complete any submittal as instructed may result in the proposal being rejected. The submittals must be delivered electronically as set forth below.

Bidders must identify each of the submittals and any supplemental materials with Bidder's name and the following naming convention:

- ☐ **ATTACHMENT A2 – BIDDER'S CERTIFICATION**  
Complete the certification (insert name of bidder, date, and sign), attach to the proposal and submit to the Washington Military Department.
- ☐ **ATTACHMENT A3 – BIDDER'S PROFILE**  
This document is required information for contract administration purposes. Complete as instructed and submit with the proposal to the Washington Military Department.
- ☐ **ATTACHMENT B2 – CONTRACT ISSUES LIST (IF APPLICABLE)**  
If Bidder has any business concerns related to **Attachment B1 – Proposed Contract**, Bidder will need to complete **Attachment B2 – Contract Issues List** template and include with the proposal to the Washington Military Department.
- ☐ **ATTACHMENT C – TECHNICAL REQUIREMENTS**  
Bidder will need to confirm that bidder's goods and/or services and/or bidder's performance meets or exceeds the detailed specifications/qualifications set forth in **Attachment C – Technical Requirements** and submit it with the bid to WMD.
- ☐ **ATTACHMENT D – BID SHEET**  
Bidder must include a completed bid sheet.
- ☐ **ATTACHMENT F – DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS (IF APPLICABLE)**  
Bidders who plan to utilize subcontracts to perform the contract, if awarded, must fill out the Bidder's Diverse Business Inclusion Plan – Subcontractors in Section 3 of **Attachment F**.
- ☐ **PROPOSED WORKPLAN & SCHEDULE IN RESPONSE TO SCOPE OF WORK**  
Bidder must include a workplan and schedule for the proposed scope of work.

☐ **PREVIOUS PROJECTS OF SIMILAR OR LIKE EXPERIENCE**

Bidder must include a list of projects of similar or like experience.

☐ **RESUMES OF KEY PERSONNEL**

Bidder must include resumes of key personnel that will be assigned to this project.

**3.5. PROPOSAL FORMAT.** Proposals must be complete, legible, and as applicable, signed. Unless otherwise specified in writing by WMD, documents included must be prepared in MS Word, MS Excel, or Adobe PDF. The proposal must be signed by a person authorized to contract for the Bidder.

**3.6. SUBMITTING PROPOSALS.** Your proposal must be delivered as follows:

SUBMITTING PROPOSALS	
Email Proposal To:	contracts.office@mil.wa.gov <i>Subject Line:</i> <i>(Bidder Name) Response to RFP25-009</i>

The proposal must be received by the RFP Procurement Coordinator no later than **Thursday, May 22, 2025** at **4:30 PM PST**. Late proposals will not be accepted and will be automatically disqualified from further consideration. All proposals and any accompanying documentation become the property of WMD and will not be returned.

**Note:** WMD email boxes only can accept emails that total less than 50MB in size. Bidders are cautioned to keep email sizes to less than 25MB to ease delivery. ***Zippered files cannot be accepted.***

#### **SECTION 4 – PROPOSAL EVALUATION**

This section identifies how the WMD will evaluate RFP proposals. The evaluation of the RFP response will be based only upon information provided, or associated, with the Bidder's response to this document, including references. In light of this requirement, Bidders should take every precaution to assure that references can answer all pertinent questions posed of them and that answers to RFP items are complete.

**4.1. OVERVIEW.** The WMD will evaluate proposals for this RFP as described below.

- The WMD reserves the right to determine a Bidder's compliance with the requirements specified in this RFP, request clarification, and to waive informalities in a proposal. An informality is an immaterial variation from the exact requirements of the competitive RFP, having no effect or merely a minor or negligible effect on quality, quantity, or performance of the services being procured, and the correction or waiver of which would not affect the relative standing of, or be otherwise prejudicial, to bidders.
- The WMD reserves the right to: (1) Waive any informality; (2) Reject any or all proposals, or portions thereof; (3) Accept any portion of the items proposed unless the bidder stipulates all or nothing in their proposal; (4) Cancel an RFP and re-solicit proposals; and/or (5) Negotiate with the highest scored responsive and responsible bidder to determine if that proposal can be improved.
- The WMD will use the following evaluation criteria for an award of a contract:

EVALUATION SCORING AND CRITERIA	
The following points/awards will be assigned to the proposal for evaluation purposes (maximums):	
Bid Responsiveness	Pass/Fail
Responsibility	Pass/Fail
Attachment C – Technical Requirements	322 total points
C2. Solution Architecture	50 points
C3. Supplemental CAD-to-CAD Optional Offerings	20 points
C4. Detailed System Requirements	252 points
Proposed statement of work/work plan & schedule in response to the scope of work	100 points
Attachment D – Bid Sheet	150 points
Previous projects of similar or like experience	25 points
STATE PROCUREMENT PRIORITIES	
Executive Order 18-03	30 points
Washington Small Business	50 points
Washington Veteran Owned Business	50 points

**4.2. RESPONSIVENESS.** The WMD will review proposals – on a pass/fail basis to determine whether the proposal is ‘responsive’ to this RFP. This means that WMD will review each proposal to determine whether the proposal is complete (i.e., does the proposal include each of the required proposal submittals, are the submittals complete, signed, legible?). WMD reserves the right – in its sole discretion – to determine whether a proposal is responsive. Bidders whose proposals are determined to be non-responsive will be rejected and will be notified of the reasons for this rejection. See **Attachment A1** for a checklist of responsiveness.

**4.3. RESPONSIBILITY ANALYSIS.** The WMD will review Bidder’s responses to **Attachment C –Technical Requirements** and make reasonable inquiry to determine the Bidder’s responsibility. The WMD’s assigned Evaluation Team will determine Bidder responsibility on a pass/fail basis.

The WMD may request record of past performance, clarification of a Bidder’s offer, on-site inspection of a Bidder’s or subcontractor’s facilities, or other information as necessary. WMD may use references to confirm satisfactory customer service, performance, satisfaction with service/product, knowledge of products/service/industry and timeliness. The WMD reserves the right to be its own reference. Any negative or unsatisfactory reference can be reason for rejecting a bidder as non-responsible.

**4.4. TECHNICAL REQUIREMENTS AND PRICE EVALUATION.** The WMD's assigned Evaluation Team will evaluate and score Bidder's responses to this RFP.

**4.5. WASHINGTON STATE PROCUREMENT PRIORITIES & PREFERENCES.** WMD will apply the following Washington State procurement priorities and preferences, as set forth below, to this Competitive Solicitation

- Procurement Preference for Executive Order 18-03 (Firms without Mandatory Individual Arbitration for Employees). Pursuant to RCW 39.26.160(3) (best value criteria) and consistent with [Executive Order 18-03 – Supporting Workers' Rights to Effectively Address Workplace Violations](#) (dated June 12, 2018). Enterprise Services will evaluate bids for best value, and provide a bid preference in the amount of thirty (30) points to any bidder who certifies, pursuant to the Bidder Certification attached as *Attachment A – Bidder Certification*, that their firm does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waiver.
- Procurement Preference for Small Businesses. In furtherance of Washington's business inclusion goals, Enterprise Services will evaluate bids for best value and provide a bid preference in the amount of fifty (50) points to any bidder that documents its status as a Washington Small Business per RCW 39.26.010. Bidders who wish to document their small business status may do so in the designated boxes in [Exhibit A-1 – Bidder Certification](#). A Washington Small Business is an in-state business, including a sole proprietorship, corporation, partnership, or other legal entity, that certifies on [WEBS](#), under penalty of perjury, that it is owned and operated independently from all other businesses and has either:
  - Fifty or fewer employees; or
  - A gross revenue of less than \$7 million annually as reported on its federal income tax return of its return filed with the Department of Revenue over the previous three consecutive years.
- Procurement Preference for Veteran-Owned Businesses. In furtherance of Washington's business inclusion goals, Enterprise Services will evaluate bids for best value and provide a bid preference in the amount of fifty (50) points to any bidder who certifies, pursuant to the Bidder Certification attached as [Attachment A – Bidder Certification](#), that their firm is a certified Veteran-Owned business under RCW 43.60A.190, and identified as such on [WEBS](#) (which is confirmed by the Washington Department of Veterans' Affairs).

**4.6. CONTRACT NEGOTIATIONS.** The WMD will negotiate with the Top Bidder(s) to finalize contract terms and to determine if the proposal may be improved. If, after a reasonable period of time, WMD, in its judgement, cannot reach agreement on acceptable contract terms with the Top Bidder(s), WMD may suspend negotiations and undertake negotiations with the next Bidder as determined by the evaluations.

## **SECTION 5 – CONTRACT AWARD**

---

**5.1 ANNOUNCEMENT OF APPARENT SUCCESSFUL BIDDER.** The WMD will determine the Apparent Successful Bidder(s) (ASB). The ASB will be the responsive and responsible Bidder(s), whose proposal, in the sole

opinion of the WMD, best meets the requirements of this RFP and presents the best total value to the WMD.

- Designation as an ASB does not imply that the WMD will issue an award for a contract to your firm. Rather, this designation allows the WMD to perform further analysis and ask for additional documentation. A Bidder's failure to provide the requested information to WMD within ten (10) business days may result in disqualification. The Bidder must not construe this as an award, impending award, attempt to negotiate, etc. If a Bidder acts or fails to act as a result of this notification, it does so at its own risk and expense.
- Upon announcement of the ASB, bidders may request a debriefing conference as specified in **Attachment E – Complaint, Debrief & Protest Requirements**.

**5.2 CONTRACT EXECUTION.** Subject to protests, if any, the WMD and the ASB will enter into a contract as set forth in **Attachment B1 – Proposed Contract**.

- An award, in part or full, is made and a contract formed by signature of the WMD and awarded Bidder on the contract. The WMD reserves the right to award on an all-or-nothing consolidated basis.
- Following the award of the contract, all Bidders will receive a Notice of Award, usually through an email to the Bidder's email address provided in the bidder's proposal.

**5.3 ADDITIONAL AWARDS.** WMD reserves the right, during the resulting Contract term, to make additional Contract awards to responsive, responsible bidders who provided a bid but who were not awarded a Contract. Such awards would be on the same or substantially similar terms and conditions and would be designed to address a contractor vacancy (e.g., a contractor is terminated or goes out of business) or be in the best interest of the State of Washington.

**BIDDER'S RESPONSIVENESS CHECKLIST**

\_\_\_ Proposal was submitted on or before, 4:30 PM PST on Thursday, May 22, 2025.

If NO, stop here as the Proposal is immediately non-responsive.

\_\_\_ Bidder provided all required attachments:

\_\_\_ Attachment A2 – Bidder's Certification

\_\_\_ Attachment A3 – Bidder Profile

\_\_\_ Attachment B2 – Contract Issues List (if applicable)

\_\_\_ Attachment C – Technical Requirements

\_\_\_ Attachment D – Bid Sheet

\_\_\_ Attachment F - Diverse Business Inclusion Plan – Subcontractors

\_\_\_ Proposed Statement of Work/Work Plan and Schedule in Response to Scope of Work

\_\_\_ Projects of Similar or Like Experience

\_\_\_ Resumes of Key Personnel

\_\_\_ Proposal demonstrates that the Bidder is capable/responsible to provide the services.

\_\_\_ Bidder's Certification and Proposal were signed by an individual authorized to bind the Bidder to a contractual relationship.

Bidder, through the duly authorized undersigned, makes this certification as a required element of submitting a responsive bid. Bidder certifies, to the best of its knowledge and belief, that the following are true, complete, correct, and made in good faith:

1. **UNDERSTANDING.** Bidder certifies that Bidder has read, thoroughly examined, and fully understands all of the provisions in the Competitive Solicitation (including all attachments) and the terms and conditions of the Contract and any amendments or clarifications to the Competitive Solicitation and agrees to abide by the same.
2. **ACCURACY.** Bidder certifies that Bidder has carefully prepared and reviewed its bid and fully supports the accuracy of the same. Bidder further understands and acknowledges that WMD shall not be responsible for any errors or omission on the part of Bidder in preparing its bid. Bidder certifies that the facts declared here are true and accurate. Bidder further understands and acknowledges that the continuing compliance with these statements and all requirements of the Competitive Solicitation are conditions precedent to the award or continuation of the resulting Contract.
3. **NO COLLUSION OR ANTI-COMPETITIVE PRACTICES.** Bidder certifies that Bidder has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with this Competitive Solicitation. Bidder certifies that Bidder's bid prices have been arrived at independently, without engaging in collusion, bid rigging, or any other illegal activity, and without for the purpose of restricting competition any consultation, communication, or agreement with any other bidder or competitor relating to (a) those prices, (b) the intention to submit a bid, or (c) the methods or factors used to calculate the prices offered. Bidder certifies that Bidder has not been and will not knowingly disclose its bid prices, directly or indirectly, to any other bidder or competitor before award of a Contract, unless otherwise required by law. Bidder certifies that Bidder has made no attempt and shall not make any attempt to induce any other person or firm to submit or not to submit a bid for the purpose of restricting competition. Bidder, however, freely may join with other persons or organizations for the purpose of presenting a bid.
4. **FIRM OFFER.** Bidder certifies that its bid, attached hereto, is a firm offer which cannot be withdrawn for a period of one hundred eighty (180) days from and after the bid due date specified in the Competitive

Solicitation. WMD may accept such bid, with or without further negotiation, at any time within such period. In the event of a protest, Bidder's bid shall remain valid for such period or until the protest and any related court action is resolved, whichever is later.

5. CONFLICT OF INTEREST. Bidder certifies that, in preparing this bid, Bidder has not been assisted by any current or former employee of the State of Washington whose duties relate (or did relate) to this Competitive Solicitation, or prospective Contract, and who was assisting in other than his or her official, public capacity. Neither does such a person nor any member of his or her immediate family have any financial interest in the outcome of this bid.
6. NO REIMBURSEMENT. Bidder certifies that Bidder understands that the State of Washington will not reimburse Bidder for any costs incurred in the preparation of this bid. All bids become the property of the State of Washington, and Bidder claims no proprietary right to the ideas, writings, items, or samples unless so stated in the bid.
7. PERFORMANCE. Bidder certifies that Bidder understands that its submittal of a bid and execution of this Bidder's Certification certifies bidder's willingness to comply with the Contract, if awarded such. By submitting this bid, Bidder hereby offers to furnish the goods and/or services solicited pursuant to this Competitive Solicitation in compliance with all terms, conditions, and technical requirements contained in this Competitive Solicitation and the resulting Contract or, if applicable, as detailed on a Contract Issues List, if permitted, in this Competitive Solicitation.
8. INSURANCE. Bidder certifies as follows (*must check one*):

## Attachment A

### GENERAL TERMS AND CONDITIONS

1. **DEFINITIONS**--As used throughout this contract, the following terms shall have the meaning set forth below:
  - a. **"Department"** shall mean the Washington Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department.
  - b. **"The Adjutant General"** as it is used herein shall mean the Director of the Washington Military Department. The term **"Authorized Department Representative"** shall mean those persons who have written authorization to sign Department contracts and represent Department as signed and directed by The Adjutant General.
  - c. **"Contractor"** shall mean that firm, organization, group, individual, or other entity performing services under this contract, and shall include all employees of the Contractor. It shall include any subcontractor retained by the prime Contractor as permitted under the terms of this agreement.
  - d. **"Subcontractor"** shall mean one, not in the employment of the Contractor, who is performing all or part of those services under this contract through a separate contract with the Contractor. The terms "subcontractor" and "subcontractors" mean subcontractor(s) in any tier.
  - e. **"WAC"** is defined and used herein to mean the Washington Administrative Code.
  - f. **"RCW"** is defined and used herein to mean the Revised Code of Washington.
2. **CONTRACTOR NOT EMPLOYEE OF AGENCY** -- The Contractor, and/or employees or agents performing under this agreement are not employees or agents of the Department in any manner whatsoever. The Contractor will not be presented as nor claim to be an officer or employee of the Department or of the State of Washington by reason hereof, nor will the Contractor make any claim, demand, or application to or for any right, privilege or benefit applicable to an officer or employee of the Department or of the State of Washington, including, but not limited to, Workers' Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW; OFM Reg. 4.3.1.1.8. It is understood that if the Contractor is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the State of Washington in their own right.

If the Contractor is an individual currently employed by a Washington State agency, the Department shall obtain proper approval from the employing agency or institution before entering into this contract. A statement of "no conflict of interest" shall be submitted to the Department.
3. **COMPLIANCE WITH APPLICABLE LAW** -- The Contractor and all subcontractors shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, tribal government, and local laws, regulations, and/or policies. This obligation includes, but is not limited to, Ethics in Public Service (RCW 42.52); Covenant Against Contingent Fees (48 C.F.R. Sec. 52.203-5); Public Records Act (RCW 42.56); and safety and health regulations. In the event of the Contractor's or a subcontractor's noncompliance or refusal to comply with any law or policy, the Department may rescind, cancel, or terminate the contract in whole or in part. The Contractor is responsible for any and all costs or liability arising from the Contractor's failure to comply with applicable law.
4. **NONDISCRIMINATION** --
  - a. **Nondiscrimination Requirement.** During the term of this Contract, Contractor, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.
  - b. **Obligation to Cooperate.** Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Contract pursuant to RCW 49.60.530(3).

- c. Default. Notwithstanding any provision to the contrary, WMD may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until WMD receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), WMD may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.
- d. Remedies for Breach. Notwithstanding any provision to the contrary, WMD may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until WMD receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), WMD may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

5. **MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES** -- In accordance with the legislative findings and policies set forth in Chapter 39.19 RCW, the State of Washington encourages participation in all its contracts by MWBE firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). To the extent possible, the Contractor will solicit and encourage minority-owned and women-owned business enterprises who are certified by the OMWBE under the state of Washington certification program to apply and compete for work under this contract. Voluntary numerical MWBE participation goals have been established, and are indicated herein: Minority Business Enterprises: (MBE's): 10% and Women's Business Enterprises (WBE's): 6%.

6. **SUBCONTRACTING** -- All subcontracts entered into pursuant to this contract shall incorporate this contract in full by reference. Neither the Contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under this contract and after original contract award, without obtaining prior written approval of the Department. Contractor shall use a competitive process in award of any contracts with subcontractors that are entered into after original contract award. The Military Department may request a copy of any and/or all subcontracts that exist for work being completed under this contract. In no event shall the existence of the subcontract operate to release or reduce the liability of the Contractor to the Department for any breach in the performance of the Contractor's duties.

This clause does not include Contracts of employment between the Contractor and personnel assigned to work under this Contract.

7. **INDEMNIFICATION** -- To the fullest extent permitted by the law, the Contractor expressly agrees to and shall indemnify, defend and hold harmless the State and its agencies, officials, agents and employees from and against all claims, actions, costs, damages, or expenses of any nature arising out of or incident to the Contractor's or any subcontractor's performance or failure to perform the contract. The Contractor's obligation to indemnify, defend and hold harmless also includes any claim by the Contractor's agents, employees, representatives or any subcontractor or its employees. The Contractor's obligation to defend includes payment of any costs or attorneys' fees.

The Contractor's obligation shall not include such claims that may be caused by the sole negligence of the State and its agencies, officials, agents, and employees. If the claims or damages are caused by or result from the concurrent negligence of (a) the State, its agents or employees and (b) the Contractor, its subcontractors, agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Contractor or its subcontractors, agents, or employees.

The Contractor expressly agrees to waive its immunity under Title 51 RCW (Industrial Insurance) to the extent required to indemnify, defend, and hold harmless the State and its agencies, officials, agents or employees.

8. **COVENANT AGAINST CONTINGENT FEES** -- The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agency maintained by the Contractor for the purpose of securing business.

The Department shall have the right, in the event of breach of this clause by the Contractor, to annul this contract without liability, in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

9. **NONASSIGNABILITY** -- Neither this contract, nor any claim arising under this contract, nor the work to be provided under this contract, and any claim arising thereunder, shall be assigned or delegated by either party in whole or in part, without the express prior written consent of the other party, which consent shall not be unreasonably withheld.
10. **AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336**, 42 U.S.C. 12101 et seq. and its implementing regulations, 28 CFR Part 35. The Contractor must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.
11. **CLEAN AIR AND WATER REQUIREMENTS** -- Contractor will comply with applicable provisions of the Clean Air Act (42 U.S.C. 7401-7671q) Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and standards, orders or regulations issued under those acts.
12. **BYRD AMENDMENT ANTI-LOBBYING REQUIREMENTS** -- Contractor must submit to Customer certification and any disclosure forms regarding lobbying that are required under 31 U.S.C. 1352, as implemented by the DoD (NGB) at 32 CFR part 28.
13. **PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OF EQUIPMENT** -- Per 2 CFR 200.216, prohibitions regarding certain telecommunications and video surveillance services or equipment are mandated by section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA), Pub. L. No. 115-232 (2018).
14. **RECORDS, MONITORING AND AUDIT ACCESS**

- a. The Contractor shall perform under the terms of the contract, and the Department has responsibility for reasonable and necessary monitoring of the Contractor's performance. The Department shall conduct contract monitoring activities on a regular basis. Monitoring means any planned, ongoing, or periodic activity that measures and ensures contractor compliance with the terms, conditions, and requirements of a contract. Monitoring involves prudent collection of information about Contractor operations and is not limited to site visits or the completion of formal reviews. Monitoring may include periodic contractor reporting to the Department, Department review of audit reports, invoice reviews, onsite reviews and observations, and surveys. Adequate documentation is essential for effective contract monitoring and will include copies of letters, meeting notes, and records of phone conversations as evidence that conscientious monitoring has occurred during the period of the contract.
- b. The Contractor shall maintain books, records, documents, and other evidence and accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract. These records shall be subject at all reasonable times to inspection, review, or audit by personnel duly authorized by the Department, the Office of the State Auditor, and federal officials so authorized by law, rule, regulation, or contract. The Contractor will retain all books, records, documents, and other materials relevant to this contract for six (6) years from the date contract final payment is made hereunder, and make them available for inspection by persons authorized under this provision.

- c. The Department or the State Auditor or any of their representatives and federal officials so authorized by law, rule, regulation, or contract shall have full access to and the right to examine during normal business hours and as often as the Department or the State Auditor may deem necessary, all of the Contractor's records with respect to all matters covered in this contract. Such representatives shall be permitted to audit, examine, and make excerpts or transcripts from such records and to make audits of all contracts, invoices, materials, payrolls, and records of matters covered by this contract. Such rights last for six (6) years from the date final payment is made hereunder.
- d. The Contractor shall cooperate with and freely participate in any other monitoring or evaluation activities conducted by the Department that are pertinent to the intent of this contract.

## 15. ACCESS TO PUBLIC RECORDS

- a. The parties acknowledge that the Department is subject to the Public Records Act, Chapter 42.56 RCW, and that records prepared, owned, used or retained by the Department relating to the conduct of government or the performance of any governmental or proprietary function are available for public inspection or copying, except as exempt under RCW 42.56 or other statute which exempts or prohibits disclosure of specific information or records.
- b. The Contractor shall provide access to data generated under this contract to the Department and the State Auditor at no additional cost. This includes access to all information that supports the findings, conclusions, and recommendations of the Contractor's reports, including computer models and methodology for those models.
- c. Access to Data. The contractor shall provide access to all data generated under the contract to the Department, the Joint Legislative Audit and Review Committee, and the Office of the State Auditor at no additional cost. For the purposes of this requirement, "data" includes all information that supports the findings, conclusions and recommendations of the contractor's reports, including computer models and methodology for those models.

16. **DISCLOSURE** -- The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Contractor's responsibilities with respect to services provided under this contract is prohibited except by prior written consent of the Department or as required to comply with the Public Records Act or court order.

Contractor acknowledges that the Department is subject to Chapter 42.56 RCW, the Public Records Act, and that this Contract shall be a public record as defined in RCW 42.56.0.10. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with Chapter 42.56 RCW, the Department shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Department will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Department will release the requested information on the date specified.

17. **RIGHTS IN DATA** – The parties hereto agree that all works originating from this contract shall be "works for hire" as defined by the U.S. Copyright Act of 1976 and shall be owned by the Department and/or the State of Washington. Unless otherwise provided, this contractual term applies to all works including, but not limited to, reports, graphic design and logos, documents, files, pamphlets, advertisements, publications, books, magazines, surveys, studies, computer programs, films, tapes, and or/sound reproductions prepared by an employee within the scope of the employment, and also to all works specially ordered or commissioned for use as a contribution to a collective work, as part of a motion picture or other audiovisual work, as a translation, as a supplementary work, as a compilation, as an instructional text, as a test, as answer material for a test, or as an atlas.

Ownership includes the right to copyright, patent, register, and the ability to transfer these rights. Work delivered under the contract, but which does not originate therefrom, shall be transferred to the Department with a nonexclusive, royalty-free, irrevocable license to publish, translate, reproduce, deliver, perform, dispose of, and to authorize others to do so; provided, that such license shall be limited to the extent which the Contractor has a right to grant such a license. The Contractor shall exert all reasonable effort to advise the Department, at the time of delivery of works furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document which

was not produced in the performance of this contract. The Department shall receive prompt written notice of each notice or claim, or copyright infringement received by the Contractor with respect to any works created under this contract.

The contractor shall not affix any restrictive markings upon any works, and if such markings are affixed, the Department shall have the right at any time to modify, remove, obliterate, or ignore such markings.

18. **PUBLICITY** -- The Contractor agrees to submit to the Department all advertising and publicity matters relating to this contract wherein the Department's name is mentioned or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department.
19. **PRIVACY** -- Personal information collected, used or acquired in connection with this contract shall be used solely for the purposes of this contract. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the Department or as provided by law. Contractor agrees to implement physical, electronic and managerial safeguards to prevent unauthorized access to personal information.

The Department reserves the right to monitor, audit, or investigate the use of personal information collected, used or acquired by the Contractor through this contract. The monitoring, auditing or investigating may include but is not limited to "salting" by the Department. Contractor shall certify return or destruction of all personal information upon expiration of this contract. Salting is the act of placing a record containing unique but false information in a database that can be used later to identify inappropriate disclosure of data contained in the database.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The Contractor agrees to indemnify and hold harmless the Department for any damages related to the Contractor's unauthorized use of personal information.

For purposes of this provision, personal information includes, but is not limited to, information identifiable to an individual that relates to a natural person's health, finances, education, business, use or receipt of governmental services, or other activities, names, addresses, telephone numbers, social security numbers, driver license numbers, financial profiles, credit card numbers, financial identifiers and other identifying numbers.

## 20. **TREATMENT OF ASSETS**

- a. Title to all property furnished by the Department shall remain with the Department. Title to all property purchased by the Contractor, for the cost of which the Contractor is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the Department upon delivery of such property by the vendor. Title to other property, the cost of which is reimbursable to the Contractor under the contract, shall pass to and vest in the Department upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the Department in whole or in part, whichever first occurs.
- b. Any property of the Department furnished to the Contractor shall, unless otherwise provided herein, or approved by the Department, be used only for the performance of this contract.
- c. The Contractor shall be responsible for any loss or damage to property of the Department that results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.
- d. Upon the happening of loss or destruction of, or damage to, any Department property, the Contractor shall notify the Department thereof and shall take all reasonable steps to protect that property from further damage.
- e. The Contractor shall surrender to the Department all property of the Department prior to settlement upon completion, termination, or cancellation of this agreement.
- f. All reference to the Contractor under this clause shall include any of the Contractor's employees or agents or subcontractors.

21. **SITE SECURITY** – While on Department premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security regulations.
22. **ATTORNEY’S FEES** – In the event of litigation or other action brought to enforce contract terms or alternate dispute resolution process, each party agrees to bear its own attorney’s fees and costs.
23. **TAXES** – All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.
24. **TRAVEL AND SUBSISTENCE REIMBURSEMENT** -- Unless the contract specifically provides for different rates, any travel or subsistence reimbursement expressly authorized under the contract shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 and the State Administrative and Accounting Manual (SAAM) Chapter 10.90 – Travel Rates, <http://www.ofm.wa.gov/policy/10.90.htm> as now existing or amended. Receipts and documentation for travel or subsistence expenses that are authorized under this contract must be maintained by the Contractor and be made available to the Department upon request.
25. **LICENSING AND ACCREDITATION STANDARDS** -- Unless exempt from registration by law, the Contractor shall complete registration with the Department of Revenue, and be responsible for payment of all taxes due on payments made under this Contract. WAC 458-20-101.

The Contractor shall comply with all applicable local, state, and federal licensing and accrediting requirements/standards, necessary in the performance of this contract. (See RCW 19.02 for state licensing requirements/definitions.) The Contractor shall provide to the Department all identification codes/numbers that apply to the business as required in the state and federal revenue laws and regulations.

Identifications such as the State Department of Revenue number, federal employee identification number, state certification number of a minority/women-owned business enterprise, and any other applicable registration identification that may exist should be provided. The Contractor shall be responsible for payment of all related licensing, accreditation and other related fees and charges.

26. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION OR INELIGIBILITY** -- If federal funds are the basis for this contract, the Contractor certifies that the Contractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this contract by any federal department or agency. If requested by Washington Military Department, the Contractor shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the Contractor for this Contract shall be incorporated into this Contract by reference. Further, the Contractor agrees not to enter into any arrangements or contracts related to this contract with any party that is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this contract by any federal department or agency. In addition, the state debarment laws shall apply: RCW 39.19.090; RCW 39.12.065 (3).
27. **ADVANCE PAYMENTS PROHIBITED** – The Department shall make no payments in advance or in anticipation of services or supplies to be provided under this contract. Contractor shall not invoice the Department in advance of delivery of such goods or services. RCW 43.88.160; Washington State Constitution, Article VIII, § 5.
28. **LOSS OR REDUCTION OF FUNDING** -- In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the Department may immediately terminate the contract in its sole discretion under the "Termination for Convenience" clause, without the ten (10) day notice requirement. Alternatively, the parties may renegotiate the terms of this contract under the "CONTRACT MODIFICATIONS" provision to comply with new funding limitations and conditions, although the Department has no obligation to do so.

29. **WAIVER OF DEFAULT** -- Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of the contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the contract unless stated to be such in writing, signed by the Director and attached to the original contract.
30. **CONTRACT MODIFICATIONS** -- This contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this agreement shall be deemed to exist or bind the parties hereto unless made in writing and signed by the parties. The Department and the Contractor may, from time to time, request changes to the contract. Any such changes that are mutually agreed upon by the parties to this contract shall be incorporated herein by written amendment to this contract. It is mutually agreed and understood that no alteration or variation of the terms of this contract shall be valid unless made in writing and signed by the parties hereto, and that any other understanding or agreements, oral or otherwise, are not incorporated herein and shall not be binding unless made in writing and signed by the parties hereto.
31. **LIMITATION OF AUTHORITY** -- "Authorized Signature" Only the assigned Authorized Signature for the Department or the assigned delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this contract is not effective or binding unless made in writing and signed by the authorized person.
32. **DISPUTES** -- Except as otherwise provided in this contract, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution board to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The board shall consist of a representative appointed by the Department, a representative appointed by the Contractor and a third party mutually agreed upon by both parties. The determination of the dispute resolution board shall be final and binding on the parties hereto. Each party shall bear the cost for its member of the dispute resolution board and its attorney fees and costs, and share equally the cost of the third board member.
33. **RECAPTURE OF FUNDS** -- In the event that the Contractor fails to expend funds under this Contract in accordance with state laws and/or the provisions of this Contract, the Agency reserves the right to recapture state funds in an amount equivalent to the extent of the noncompliance in addition to any other remedies available at law or in equity.
- Such right of recapture shall exist for a period not to exceed six (6) years following Contract termination. Repayment by the Contractor of funds under this recapture provision shall occur within 30 days of demand. In the event that the Agency is required to institute legal proceedings to enforce the recapture provision, the Agency shall be entitled to its costs thereof, including reasonable attorneys' fees.
34. **CONFLICT OF INTEREST** -- The Department may, by written notice to the Contractor, terminate this contract if it is found after due notice and examination by The Adjutant General or the Authorized Department Representative that there is a violation of Chapter 42.52 RCW, Ethics in Public Service, or any similar statute involving the Contractor in the procurement of, or performance under, this contract.
35. **TERMINATION FOR CONVENIENCE** -- Notwithstanding any other provisions of this contract, the Department may, by ten (10) days written notice, beginning on the second day after the mailing of the written notice, terminate this contract, in whole or in part. If this contract is so terminated, the Department shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the contract, withhold further payments, and prohibit the Contractor from incurring additional obligations of funds.

36. **TERMINATION OR SUSPENSION FOR CAUSE** -- In the event the Department determines the Contractor has failed to comply with the conditions of this contract in an acceptable and timely manner, the Department has the right to suspend or terminate this contract. The Department shall notify the Contractor in writing of the need to take corrective action.

If the default or violation is not corrected after ten (10) days or within a reasonable timeframe as determined by the Department, the contract shall be deemed terminated. The Department reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Department to terminate the contract.

In the event this contract is terminated as provided above, the Department shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor. The rights and remedies of the Department provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which The Adjutant General or the Authorized Department Representative makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this contract.

The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default, or (2) failure to perform was outside of the Contractor's control, fault or negligence. The rights and remedies of the Department provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

37. **TERMINATION PROCEDURE** -- Upon termination of this contract, the Department, in addition to any other rights provided in this contract, may require the Contractor to deliver to the Department any property specifically produced or acquired for the performance of such part of this contract as has been terminated.

The Department shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the Department, and the amount agreed upon by the Contractor and the Department for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services which are accepted by the Department, and (iv) the protection and preservation of property; provided, that if the termination is due to default, The Adjutant General or the Authorized Department Representative shall determine the extent of the liability of the Department. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The Department may withhold from any amounts due the Contractor such sum as The Adjutant General or the Authorized Department Representative determines to be necessary to protect the Department against potential loss or liability. The rights and remedies of the Department provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the Department, the Contractor shall:

- a. Stop work under the contract on the date, and to the extent specified, in the notice;
- b. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract as is not terminated;
- c. Assign to the Department, in the manner, at the times, and to the extent directed by The Adjutant General or the Authorized Department Representative, all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the Department has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Department to the extent The Adjutant General or the Authorized Department Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Department and deliver in the manner, at the times, and to the extent directed by the Department any property which, if the contract had been completed, would have been required to be furnished to the Department;
- f. Complete performance of such part of the work as shall not have been terminated by the Department; and
- g. Take such action as may be necessary, or as the Department may require, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which

the Department has or may acquire an interest.

38. **GOVERNING LAW AND VENUE** -- This contract shall be construed and enforced in accordance with, and the validity and performance hereof shall be governed by, the laws of the state of Washington. In the event of a lawsuit involving this contract, venue shall be proper only in Thurston County. The Contractor, by execution of this contract, acknowledges the jurisdiction of the courts of the state of Washington in this matter.
39. **SEVERABILITY** -- If any provision of this contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this contract which can be given effect without the invalid provision, and to this end the provisions of this contract are declared to be severable.
40. **DATE COMPLIANCE** -- If applicable to this contract, the Contractor is responsible for ensuring that all materials and equipment installed as part of this contract shall accurately process date/time data between year calculations, to the extent that other information technology, used in combination with the information technology being acquired, properly exchanges date/time data with it.
41. **HISTORICAL AND CULTURAL ARTIFACTS** -- The Contractor agrees that if historical, archaeological data, or cultural artifacts, relics or specimens are discovered during and as the result of contract activities such as construction, the Contractor shall immediately stop those specific activities and notify the local historical preservation officer, the state's historical preservation officer at the Washington State Department of Archeology and Historic Preservation, and the Department's contact person for this contract.
42. **RESPONSIBILITIES OF THE PARTIES** -- Each party to this contract hereby assumes responsibility for claims and/or damages to persons and/or property resulting from any negligent act or omissions on the part of itself, its employees, its officers, and its agents. Neither party assumes any responsibility to the other party for the consequences of any negligent claim, act, or omission of any person, agency, firm, or corporation not a part to this contract.
43. **EXECUTIVE ORDER 18-03 -WORKERS' RIGHTS** -- The Contractor represents and warrants that the Contractor does not require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers. The Contractor further represents and warrants that, during the term of this contract, the Contractor shall not, as a condition of employment, require its employees to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.
44. **ACCESS TO CAMP MURRAY** -- Contractor and all associated sub-contractor's employees shall provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office. Contractor workforce must comply with all personal identity verification requirements as directed by the Department of Defense (DOD), Department of the Army (DA), National Guard Bureau (NGB) and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the WMD may require changes in contractor security matters or processes.
45. **CONTRACTOR TO PAY PREVAILING WAGES OR APPLICABLE FEDERAL WAGES** -- Contractor shall pay the prevailing rate of wages to all workers, laborers, or mechanics employed in the performance of any part of the Work in accordance with RCW 39.12 and the rules and regulations of the Department of Labor and Industries (L&I). The schedule of prevailing wage rates for the locality or localities of the Work, is determined by the Industrial Statistician of the Department of Labor and Industries. It is the Contractor's responsibility to verify the applicable prevailing wage rate. If applicable, the Contractor shall comply with all Federal Funding requirements of the Davis Bacon Act.
46. **INSURANCE REQUIREMENTS** --  
**INSURANCE OBLIGATION.** During the Term of this Contract, Contractor shall obtain and maintain in full force and effect, at Contractor's sole expense, the following insurance coverages:
  - a. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Commercial General Liability Insurance (and, if

necessary, commercial umbrella liability insurance) covering Bodily Injury and Property Damage on an occurrence form in the amount of not less than \$1,000,000 per occurrence and \$2,000,000 general aggregate. This coverage shall include Contractual Liability insurance for the indemnity provided under this Contract.

- b. WORKERS' COMPENSATION INSURANCE. Contractor shall comply with applicable Workers' Compensation or Industrial Accident insurance providing benefits as required by law.
- c. EMPLOYER'S LIABILITY (STOP GAP) INSURANCE. Employer's liability insurance (and, if necessary, commercial umbrella liability insurance) with limits not less than \$1,000,000 each accident for bodily injury by accident, \$1,000,000 each employee for bodily injury by disease, and \$1,000,000 bodily injury by disease policy limit.
- d. COMMERCIAL AUTOMOBILE LIABILITY INSURANCE. Commercial automobile liability insurance covering the ownership, maintenance, and/or use of all owned/leased, non-owned, and hired vehicles used in the performance of the Contract, with limits of not less than \$1,000,000 per accident, combined single limit for bodily injury and property damage liability. Coverage shall be provided on Insurance Services Office (ISO) form number CA 0001 or an equivalent. The required limits can be satisfied by any combination of primary, umbrella, or excess policy.

The insurance coverage limits set forth herein are the minimum. Contractor's insurance coverage shall be no less than the minimum amounts specified. Coverage in the amounts of these minimum limits, however, shall not be construed to relieve Contractor from liability in excess of such limits. Contractor waives all rights against the State of Washington for the recovery of damages to the extent such damages are covered by any insurance required herein.

**INSURANCE CARRIER RATING.** Coverages provided by the Contractor must be underwritten by an insurance company deemed acceptable to the State of Washington's Office of Risk Management. Insurance coverage shall be provided by companies authorized to do business within the State of Washington and rated A- Class VII or better in the most recently published edition of Best's Insurance Rating. WMD reserves the right to reject all or any insurance carrier(s) with an unacceptable financial rating.

**ADDITIONAL INSURED.** Commercial General Liability, Commercial Automobile Liability, and Pollution Liability Insurance shall include the Washington Military Department (and their agents, officers, and employees) as Additional Insureds evidenced by copy of the Additional Insured Endorsement attached to the Certificate of Insurance on such insurance policies.

**CERTIFICATE OF INSURANCE.** Prior to execution of the Contract, Contractor shall furnish to WMD as evidence of the insurance coverage required by this Contract, a certificate of insurance satisfactory to WMD that insurance, in the above-stated kinds and minimum amounts, has been secured. In addition, no less than ten (10) days prior to coverage expiration, Contractor shall furnish to WMD an updated or renewed certificate of insurance, satisfactory to WMD, that insurance, in the above-stated kinds and minimum amounts, has been secured. Failure to maintain or provide proof of insurance, as required, will result in contract cancellation. **All policies and certificates of insurance shall include the Contract number stated on the cover of this Contract.** All certificates of Insurance and any related insurance documents shall be delivered to WMD by U.S. mail, postage prepaid, or sent via email, and shall be sent to the address or email address set forth below or to such other address or email address as WMD may specify in writing:

US Mail:        Contracts Office  
                  Attn: Alyssa Pearson  
                  Washington Military Department  
                  1 Militia Drive / MS: TA-20  
                  Camp Murray, WA 98430-5092

Email:            Contracts.Office@mil.wa.gov  
                  Note: For Email notice, the Email Subject line must state:  
                  **Contract Insurance Certificate – Contract No. \_\_-\_\_**

**PRIMARY COVERAGE.** Contractor's insurance shall apply as primary and shall not seek contribution from any insurance or self-insurance maintained by, or provided to, the additional insureds listed above including, at a minimum, the State of Washington and/or any Purchaser. All insurance or self-insurance of the State of Washington and/or Purchasers shall be excess of any insurance provided by Contractor or subcontractors.

**SUBCONTRACTORS.** Contractor shall include all subcontractors as insureds under all required insurance policies. Alternatively, prior to utilizing any subcontractor, Contractor shall cause any such subcontractor to provide insurance that complies with all applicable requirements of the insurance set forth herein and shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Each subcontractor must comply fully with all insurance requirements stated herein. Failure of any subcontractor to comply with insurance requirements does not limit Contractor's liability or responsibility.

**WAIVER OF SUBROGATION.** Contractor waives all rights of subrogation against the State of Washington and any Purchaser for the recovery of damages to the extent such damages are or would be covered by the insurance specified herein.

**NOTICE OF CHANGE OR CANCELLATION.** There shall be no cancellation, material change, exhaustion of aggregate limits, or intent not to renew insurance coverage, either in whole or in part, without at least sixty (60) days prior written Legal Notice by Contractor to WMD. Failure to provide such notice, as required, shall constitute default by Contractor. Any such written notice shall include the Contract number stated on the cover of this Contract.

**EXTENDED REPORTING PERIOD.** If any required insurance coverage is on a claims-made basis (rather than occurrence), Contractor shall maintain such coverage for a period of no less than three (3) years following expiration or termination of the Contract.

47. **COMPLIANCE WITH WASHINGTON'S STATEWIDE IT POLICIES** -- Contractor shall comply with Washington's statewide information technology policies, as applicable – promulgated by Washington's Office of the Chief Information Officer (OCIO) and as hereafter amended. Such policies are located on the OCIO website at: <https://ocio.wa.gov/policies>. These policies include, but are not limited to, the following:

- a. Security Policy 141
- b. Accessibility Policy 188

Prior to final execution of the contract with a Contractor, the Contractor's application(s) will be subject to a Security Design Review performed by Washington Consolidated Technology Services to ensure compliance with OCIO Security Policies.

48. **SUBCONTRACTOR PAYMENTS REPORTING REQUIREMENTS** -- This contract is subject to compliance tracking using the State's business diversity management system, Access Equity (B2Gnow). This Contract is subject to compliance tracking using the State's business diversity management system, Access Equity (B2Gnow). Access Equity is web-based and can be accessed at the Office of Minority and Women's Business Enterprises at <https://omwbe.diversitycompliance.com/>. The Contractor and all Subcontractors shall report and confirm receipt of payments made to the Contractor and each Subcontractor through Access Equity. The Contractor may contact [CONTRACTS.OFFICE@MIL.WA.GOV](mailto:CONTRACTS.OFFICE@MIL.WA.GOV) for technical assistance in using the Access Equity system. Information related to Contractor and Subcontractor access to and use of Access Equity will be provided to Contractor and each identified Subcontractor upon execution of this Contract. The Public Owner reserves the right to withhold payments from the Contractor for non-compliance with this section. For purposes of this section, Subcontractor means any subcontractor working on the Contract, at any tier and regardless of status as certified WMBE or Non-WMBE.

The contractor shall:

- a. Register and enter all required Subcontractor information into Access Equity no later than 15 days after the WMD creates the Contract Record.
- b. Complete the required user training (two (2) one-hour online sessions) no later than 20 days after the WMD creates the Contract Record.
- c. Report the amount and date of all payments (i) received from the WMD, and (ii) paid to Subcontractors, no later than thirty (30) days after issuance of each payment made by WMD to the Contractor, unless otherwise specified in writing by WMD, except that the Contractor shall mark as "Final" and report the final Subcontractor payment(s) into Access Equity no later than thirty (30) days after the final payment is due the Subcontractor(s) under the Contract, with all payment information entered no later than sixty (60) days after end of fiscal year.
- d. Monitor contract payments and respond promptly to any requests or instructions from WMD or system-generated messages to check or provide information in Access Equity.

- e. Coordinate with Subcontractors, or WMD when necessary, to resolve promptly any discrepancies between reported and received payments.
- f. Respond to reasonable requests from WMD for additional information to be provided electronically through Access Equity.
- g. Require each Subcontractor to: (i) register in Access Equity and complete the required user training; (ii) verify the amount and date of receipt of each payment from the Contractor or a higher tier Subcontractor, if applicable, through Access Equity; (iii) report payments made to any lower tier Subcontractors, if any, in the same manner as specified herein; (iv) respond promptly to any requests or instructions from the Contractor or system-generated messages to check or provide information in Access Equity; and (v) coordinate with Contractor, or WMD when necessary, to resolve promptly any discrepancies between reported and received

### Contract Issues List

**INSTRUCTIONS.** Issues, concerns, exceptions or objections to any of the terms or conditions contained in **Attachment B1 – Proposed Contract**, must be documented by bidders in the Contract Issues List provided below. Contract Issues List frames discussions between the Washington Military Department and bidders regarding the terms and conditions contained in the contract. In completing the Contract Issues List, bidders must describe, in business terms, a concern, exception or objection and then propose a compromise that is reasonable in light of the commitment being sought by the Washington Military Department. The Contract Issues List must provide the reason or rationale supporting the issue.

- **REDLINED DOCUMENTS WILL NOT BE REVIEWED.** Do not provide a redlined contract, paragraph or clauses. Redlined text may result in the Washington Military Department making potentially inaccurate assumptions about what bidders' specific issues or concerns might be.
- **STANDARD BIDDER CONTRACT WILL NOT BE REVIEWED.** Do not provide a copy of a bidder's or a third party's standard contract or proposed language in the proposal.
- **NO SUBSTANTIAL CHANGES.** Bidders are reminded that this is a competitive solicitation for a public contract and that the Washington Military Department cannot accept a proposal or enter into a contract that substantially changes the material terms and specifications published in this RFP. Proposals that are contingent upon WMD making substantial changes to material terms and specifications published in the RFP may be determined to be non-responsible. WMD will consider the number and nature of the items on the bidders' Contract Issues List in determining the likelihood of completing a contract with a bidder.

**Instructions:**

Bidders submitting a proposal must complete and submit Attachment C for evaluation purposes.

**Technical Requirements:** Bidder must respond to each requirement as noted in the instructions below.

Review Sections C1 to C3 and provide answers to the questions posed in sections C2 and C3.

Review Section C4 requirements and provide level of compliance with the requirement as follows:

Using the **Bidder's Compliance** column, Bidder must respond either "Compliant" or "C" (2 points), "Partially Compliant" or "PC" (1 point) or "Non-compliant" or "NC" (0 points) to indicate the Bidder's ability to meet the requirement. In order to respond "Compliant" a Bidder must meet the requirement as written in its entirety and the associated functionality be available at the start of the contract.; "Partially Compliant" – a Bidder must provide a written explanation as to the exceptions to the requirement and any functionality that will not ready in the initial release, but will be provided in future releases (i.e., after contract start but before contract end) is permissible.

**Section C1: Introduction**

The objective of this project is to establish a data exchange hub to connect and make interoperable the CAD systems of participating agencies. The project's intent is that the CAD-to-CAD system enables participating agencies to increase operational efficiency, enhance regional situational awareness, and decrease response times.

This RFP seeks proposals from qualified firms to implement a fully functional vendor hosted CAD-to-CAD solution. The application should be flexible and scalable in design and architecture. The application should also pass information without logging the contents of the messages being exchanged; logging should be at the syslog level for troubleshooting and auditing only.

The awarded contractor will be responsible for the following project components including but not limited to:

1. Providing a system that meets the technical and functional specifications of this RFP.
2. Interfacing and implementing each of the participating entities' CAD systems into the CAD-to-CAD system in a planned approach.
3. Complying with all requirements and proper protocol concerning the collection of CAD information as well as abiding by the Criminal Justice Information Services (CJIS), National Information Exchange Model (NIEM), and other applicable public safety information security and data requirements. Providing professional project management services including developing and executing a detailed project schedule, and the delivery of regularly scheduled status reports and identifying and managing project risks and issues.

4. Implementing a system utilizing standard information technology project phases to include:
  - a. System design
  - b. System installation and configuration
  - c. Integration and testing of the CAD interfaces
  - d. System acceptance testing to include performance and load testing for all PSAPs
  - e. End-user training
  - f. Go-live planning and migration
  - g. Post go-live system reliability and maintenance
  - h. Development and delivery of non-proprietary technical and operational documentation to be used for new user orientation and training

**Section C2: Solution Architecture (50 points)**

A. Describe the proposed solution's ability to automatically transfer associated incidents to appropriate agencies based on geography, agency, business process, and incident type.

[Enter response here]

B. Describe the system administration tools that are used to manage the application including any data archival tools, tools for managing application updates, online help management tools, etc.

[Enter response here]

C. Proposers shall provide network connectivity requirements including recommended bandwidth, latency, and throughput utilization to ensure optimal performance of the proposed solution.

[Enter response here]

D. Provide the response times for the proposed solution in the column labeled "Solution Response Time":

Transaction Time	Solution Response Time
Processing time of data from: CAD A to CAD B (one to one transfer)	
Processing time of data from: CAD A to CAD Many (one to many transfer)	

E. Does the proposed solution utilize open APIs?

[Enter response here]

F. Does the proposer provide API's or other tools to build and support interfaces using utilities?

[Enter response here]

G. Please indicate vendor's preferred methodology utilized for third party interfaces. I.e., REST, .NET etc.

[Enter response here]

H. Describe how the proposer's solution complies with NENA's ANSI-Approved Emergency Incident Data Object (EIDO) Standard ([NENA-STA-021.1a EIDO JSON 20220419](#)) that defines a standardized, industry-neutral format for exchanging emergency incident information between disparate manufacturer's systems located within one or more public safety agencies. If the solution is not currently compliant, describe the proposer's roadmap and timeline to support this standard.

[Enter response here]

I. Describe how the proposer's solution complies with NENA's ANSI-Approved Conveyance of Emergency Incident Data Objects (EIDO) between Next Generation (NG9-1-1) Systems and Applications [NENA-STA-024.1a-2023](#) that defines how EIDOs are conveyed between agencies. If the solution is not currently compliant, describe the proposer's roadmap and timeline to support this standard.

[Enter response here]

J. Identify any existing CAD systems (Vendor, model) for which the Bidder has already developed interfaces using the Bidders API.

[Enter response here]

### Section C3: Supplemental CAD-to-CAD Optional Offerings (20 points)

The SECO and PSAPs seek to implement a system with initial functionality, but desire to have supplemental functionality as funding and participants grow. This supplemental functionality closely parallels the EIDO subscription and notification process described in the APCO and NENA standards.

*Please describe the CAD-to-CAD system's ability to support the following situations including any costs associated with the solution:*

A. View only access of real time CAD-to-CAD incidents either across the region or with specific agencies and or non-Public Safety Agencies.

[Enter response here]

B. The ability for an agency to receive real-time alerts and/or notifications if it has a CAD system that does not have the ability to support an API interface.

[Enter response here]

C. The ability for a non-Public Safety agency to receive real time alerts or notifications if it does not have a CAD system.

[Enter response here]

D. If an agency is in the middle of changing CAD vendors or conducting a major CAD upgrade and do not wish to create a bi-directional interface until its CAD project is complete. What are its options for CAD-to-CAD during this interim period?

[Enter response here]

Notes: Washington State Patrol, Ambulance users, Department of Natural Resources, Washington Department of Transportation, and other dispatching centers need clearly defined ideas about what gets seen, by whom, (e.g. Public Utility District seeing CJIS info). System could dynamically change the shared view based on the changing type/nature of the incident or the types of units responding.

## Section C4: Detailed System Requirements (252 points)

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Global Portal	GPR1	<b>Hub-Based Architecture:</b> The CAD-to-CAD System shall be architected as a centralized intelligent hub that supports connections to two (2) or more independent CAD systems through standard interfaces and/or the Bidders API. Adding an additional CAD system should not require any modifications to other CAD system interfaces; rather, all information and resource sharing logic shall be configurable in the central hub.			
Global Portal	GPR2	<b>Security and Permissions - General:</b> The CAD-to-CAD System shall use a GUI application with encryption between the application and the server. The GUI application shall use two-factor authentication, or an equivalent, industry-recognized standard for secure access.			
Global Portal	GPR3	<b>Permissions - Agency:</b> The CAD-to-CAD System shall have permissions specific to one or more agencies. Agencies and agency permissions will be defined by a system administrator, with rights, settings, and business rules applicable to the individuals assigned to each agency. Filters for the regional view of information (live shared incidents, vehicles/units, and call details) can be set on the agency level.			
Global Portal	GPR4	<b>Permissions - Group:</b> The CAD-to-CAD System shall have permissions specific to one or more groups. Groups and group permissions will be defined by a system administrator, with rights, settings, and business rules applicable to the individuals assigned to each group. Individuals will be able to be assigned to one or more groups. Filters for the regional view of information (live shared incidents, vehicles/units, and call details) can be set on the group level.			
Global Portal	GPR5	<b>Permissions (User/Individual):</b> The CAD-to-CAD system will only allow GUI system access to authorized individuals, with all of the permissions, settings, and business rules described for each group and/or agency applied to the user. This should include the ability to enable specific permissions to each individual at the discretion of the agency or system administrator.			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Global Portal	GPR6	<b>CAD-to-CAD System Transparency to the CAD Users:</b> The bi-directional CAD-to-CAD functionality of the System shall be transparent to the CAD system users. Transferred (pending and active) incidents and requests for resources should appear natively in the recipient and requestor's CAD system and console in the language and codes of that system. CAD system dispatchers shall not need an additional console or software to be able to interact with the CAD-to-CAD System.			
Global Portal	GPR7	<b>CAD-to-CAD System Transparency to other CAD Systems:</b> Each CAD system interface shall be able to connect to the CAD-to-CAD System without knowledge of or customization for any other CAD system with which it may share information or resources. All codes translation and unit mappings shall be handled by the CAD-to-CAD interoperability platform and be totally transparent to each connected CAD system.			
Global Portal	GPR8	<b>Data Transfer:</b> The CAD-to-CAD System shall subscribe to and consume incident and resource information updates as they occur, in real-time, through the interface to each connected CAD system. The information shall be normalized to a common code set through unit mapping and codes translation tables. At a minimum the CAD-to-CAD System shall be able to process the types of incident and resource data as described in BDS1 to BDS12 inclusive. If EIDO is supported these data elements should be mapped to the equivalent EIDO elements.			
Global Portal	GPR9	<b>System Response Time:</b> The CAD-to-CAD System shall deliver sub-second response time when sending transaction data between connected CAD systems.			
Global Portal	GPR10	<b>System Updates:</b> The CAD-to-CAD System shall publish incident and resource information updates, in real-time, as triggered through business rules, filters, and sharing logic to each connected CAD system. At a minimum, the CAD-to-CAD BDS1 to BDS12 inclusive.			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Global Portal	GPR11	<b>Sharing Alerts through CAD Messaging System:</b> The CAD-to-CAD System shall provide the ability to generate alerts to specified users through SMS or email notification based upon any of the configurable parameters identified in BDS1 to BDS12.			
Global Portal	GPR12	<b>Resource Status Codes:</b> The CAD-to-CAD System should be able to support as a common standard reference code set, such as the APCO standards for Resource Status codes.			
Global Portal	GPR13	<b>Call Nature Codes:</b> The CAD-to-CAD System should be able to support as a common standard reference code set, such as the APCO standard for Incident Nature Codes.			
Global Portal	GPR14	<b>Call Type Code:</b> The CAD-to-CAD System should be able to support as a common standard reference code set, such as the APCO standard for Incident Type Codes.			
Global Portal	GPR15	<b>Redact Confidential Data:</b> The CAD-to-CAD System shall provide the ability to redact confidential or sensitive data when sharing information between authorized and non-authorized user disciplines. For example a Law Enforcement agency may share incident information with a Fire/EMS agency, but the Fire/EMS agency is not authorized to see National Crime Information Center (NCIC) or criminal history information that may be included in the incident narrative. A discipline-specific filter shall be available to redact this information when sharing sensitive or restricted incident data between agencies.			
Global Portal	GPR16	<b>Map Viewing Capabilities:</b> The CAD-to-CAD System's GUI user application shall include a map view which displays map data configured by the CAD-to-CAD System. It should include at a minimum the following capabilities: <b>Capability 1:</b> System will plot incidents on the map view with abbreviated description of the incident. <b>Capability 2:</b> System will plot resources on the map view with abbreviated description of the resource.			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Global Portal	GPR17	<b>Messages Retention:</b> The CAD-to-CAD System shall retain all message transactions for a configurable length of time for diagnostic and analytical purposes. It shall also provide the ability to purge expired messages automatically according to a retention policy set by system administrator.			
Global Portal	GPR18	<b>System Clock Synchronization:</b> The CAD-to-CAD System shall detect differences in system clocks between connected CAD systems and block messages that are more than a few seconds out of synchronization as possible security threats and generate appropriate error messages. The CAD-to-CAD System clock shall be based on UTC and adjusted to the local offset time.			
Global Portal	GPR19	<b>Transfer of Transactional Information:</b> The CAD-to-CAD System shall have the ability to transfer transactional information at regular intervals to an external data warehouse, regional Intelligence (fusion) center, EOC, or DOT.			
Global Portal	GPR20	<b>Send and Receive Third-Party Data:</b> The CAD-to-CAD System shall have the ability to send and receive data with a third-party Move-Up system so that regional move-ups across connected CAD systems can be supported.			
Incident Command (Functionality)	IC1	The CAD-to-CAD System shall be capable of supporting the NIEM and APCO incident and resource sharing standards.			
Incident Command	IC1a	<b>Incident Command Functionality:</b> The CAD-to-CAD System shall provide, through the GUI user application, basic Incident Command functionality for authorized users. At the minimum it shall provide the ability to:			
Incident Command	IC1b	<b>Functionality 1:</b> View all relevant incident and resource information for shared incidents under commander's jurisdiction			
Incident Command	IC1c	<b>Functionality 2:</b> View pending resource and capability requests associated with a shared incident that are not yet granted or denied by the requested agency (CAD).			
Incident Command	IC1d	<b>Functionality 3:</b> View the location of resources in the map view			
Incident Command	IC1e	<b>Functionality 4:</b> Share comments in real-time with dispatchers from other agencies (CADs)			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Incident Command	IC1f	<b>Functionality 5:</b> Create GEO-fenced areas and monitor movement in and out by resources			
Incident Command	IC1g	<b>Functionality 6:</b> Place markers and information on the shared map view for other users to see			
Configuration Management	CM1	<b>Single Administrator Application:</b> All setup, configuration, and management of the CAD-to-CAD System shall be controlled through a single GUI administrator application with a single secure login, providing a single point of administration.			
Configuration Management	CM2a	<b>Configuration of Business Rules, Filters, and Decision Logics:</b> The CAD-to-CAD System shall be configurable through the GUI administrator application to create business rules, filters and decision logic that triggers information and resource sharing events. This configurability shall enable the automation of Automatic Aid and Mutual Aid agreements as well as define other applicable standard operating procedures regarding cross-jurisdictional information sharing events by non-programmers.			
Configuration Management	CM2b	<b>Combination of Filters/Business Rules:</b> The CAD-to-CAD System shall provide, as part of the GUI administrator application, the ability to logically combine (AND or OR) two or more filter/business rules mechanisms to create a complex trigger to sharing information (e.g., share incident information with a specific agency if the incident zone is in a specific location or area and nature code is X).			
Configuration Management	CM3	<b>Configuration Changes:</b> The CAD-to-CAD System shall support changes to information and resource sharing filters, and business rules by a non-programmer through the GUI administrator application while the CAD-to-CAD System is operational. The ability to disable or enable filters and business rules by date and time should be supported.			
Configuration Management	CM4	<b>Resource Sharing Definition:</b> The CAD-to-CAD System shall be capable, through the GUI administrator application, to define capabilities for resources from connected CAD systems to facilitate a resource sharing request by capability (i.e.; send K-9 or Bomb Squad).			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Configuration Management	CM5	<b>Map Configuration:</b> The CAD-to-CAD System GUI administrator application shall include the ability to load map files (layers) of different formats (State Plane, etc.) into the CAD-to-CAD System and configure the map data layers for use by the users of the CAD-to-CAD System.			
Configuration Management	CM6	<b>Diagnostic Tools:</b> The CAD-to-CAD System shall provide, as part of the GUI administrator application, a diagnostic tool to analyze system log files and message transactions to trace and rapidly diagnose unexpected or erroneous behavior.			
Configuration Management	CM7	<b>System Upgrades with Near-Zero Downtime:</b> The CAD-to-CAD System shall be able to support system upgrades (hardware or operating system software) with near-zero down time by providing redundant system components (application servers, database servers, etc.) so that an upgrade on the primary or replicated systems can be done independently and subsequently synchronized.			
Configuration Management	CM8	<b>Single Update File:</b> The CAD-to-CAD System updates shall be packaged into a single distribution file that can be installed or uninstalled with a “single click” operation and can be done while system is operational. System updates shall also include any corresponding client modifications.			
Configuration Management	CM9	<b>Automatic Adjustment of Software Revision:</b> When a user logs into separate test, training, or production environments, the revision level of the GUI administrator/user application shall automatically adjust to the software version level of the logged-into system environment.			
Configuration Management	CM10	<b>Expansion without Taking System Down:</b> The CAD-to-CAD System shall be expandable without taking system down by providing the ability to add additional redundant components (application servers, database servers, etc.) that can be installed, added, and synchronized for improved scalability.			
Basic Data Set (Minimum)		While use of the NENA EIDO is the desired mechanism to exchange data, the following generic elements are required. Bidder should map to the equivalent EIDO element/description if EIDO is supported.			
Basic Data Set	BDS1	<b>Data Type 1:</b> Call Type (Fire, Police, EMS)			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Basic Data Set	BDS2	<b>Data Type 2:</b> Geographical location of incident (e.g., address, city, intersection, mile marker, zone, Lat./Lon. coordinates)			
Basic Data Set	BDS3	<b>Data Type 3:</b> Call Origin (Caller Name, Phone, Address, ANI, ALI)			
Basic Data Set	BDS4	<b>Data Type 4:</b> Call Nature (Heart Attack, House Fire, Accident with Injuries)			
Basic Data Set	BDS5	<b>Data Type 5:</b> Call Status and Disposition			
Basic Data Set	BDS6	<b>Data Type 6:</b> Location of Signed-on resources			
Basic Data Set	BDS7	<b>Data Type 7:</b> Status of Signed-on resource			
Basic Data Set	BDS8	<b>Data Type 8:</b> Resources assigned to an active incident			
Basic Data Set	BDS9	<b>Data Type 9:</b> Timestamps of status changes to incident and resources			
Basic Data Set	BDS10	<b>Data Type 10:</b> Priority of incident			
Basic Data Set	BDS11	<b>Data Type 11:</b> Incident comments and narrative			
Basic Data Set	BDS12	<b>Data Type 12:</b> Dispatcher information associated with incident			
Mapping Data Set (Minimum)		While use of the NENA EIDO is the desired mechanism to exchange data, the following generic elements are required. Bidder should map to the equivalent EIDO element/description if EIDO is supported.			
Mapping Data Set	MDS1	<b>Mapping Data:</b> The CAD-to-CAD System shall provide a method for mapping and translating data elements between each connected CAD system. At a minimum, this functionality shall include:			
Mapping Data Set	MDS1a	<b>Data Type 1:</b> Call Type (Fire, Police, EMS)			
Mapping Data Set	MDS1b	<b>Data Type 2:</b> Call Nature (Heart Attack, House Fire, Accident with Injuries)			
Mapping Data Set	MDS1c	<b>Data Type 3:</b> Call Disposition

Mapping Data Set	MDS1k	<b>Data Type 11:</b> Transport Destinations			
Common Code Sets	CCS1	<b>Common Code Sets:</b> The CAD-to-CAD System should have the ability to bulk load local codes tables from each connected CAD system. Subsequently, the local codes can be mapped to the common codes for both inbound and outbound translation. Code sets shall at a minimum include:			
Common Code Sets	CCS1a	<b>Data Type 1:</b> Call Type (Fire, Police, EMS)			
Common Code Sets	CCS1b	<b>Data Type 2:</b> Call Nature (Heart Attack, House Fire, Accident with Injuries)			
Common Code Sets	CCS1c	<b>Data Type 3:</b> Call Disposition

Pending resource and capability requests associated with a shared incident that have not yet been granted or denied by the requested agency or CAD</p> <p>4. Live map view, based on Esri map layers (or other commercially available mapping system) of all shared calls and units/vehicles; the map display must conform to the same filters and sharing limitations established in the agency/group/user settings</p>			
Level 2: Shared Incident	SI2	<b>Sharing Information Based on Incident Location:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information based on incident location or proximity (e.g., share information to another agency if the incident is within a specified distance of their common jurisdictional border or a specific building).			
Level 2: Shared Incident	SI3	<b>Sharing Information Based on Call Code:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information based on incident Call nature (e.g., share incident information with EMS agency if Call nature is of a type that the need for medical help is likely.)			
Level 2: Shared Incident	SI4	<b>Sharing Information Based on Call Priority:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information to agencies based on incident priority (e.g., share incident information with neighboring Law Enforcement agency if the incident priority is high.)			
Level 2: Shared Incident	SI5	<b>Sharing Information Based on Response Area:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information to agencies based on incident zone or response area (e.g., share incident information with Highway Patrol agency if the incident is on an interstate highway).			
Level 2: Shared Incident	SI6	<b>Sharing Information Based on GIS Location:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information to agencies based on incident GIS location residing within a configurable GEO-fence (e.g., share incident information with a named agency if the incident is located within GEO-fence surrounding specific critical infrastructure).			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Level 2: Shared Incident	SI7	<b>Sharing Information Based on Special Words in Narrative:</b> The CAD-to-CAD System shall provide the ability to trigger sharing of information to several agencies simultaneously based on a special embedded keyword in an incident comment (e.g., share incident information with multiple neighboring Law Enforcement agencies if the keyword "***MCI" (Mass Casualty Incident) is entered).			
Level 3: Shared Resources	SR1	<b>Resource Sharing Capabilities:</b> The initial PSAP can see the available resources for the intended PSAP and assign them to the incident, which will in turn generate a notification to the responders of a call for service.			
Application Programming Interface	API1	<b>API:</b> A detailed and robust Application Programming Interface (API) shall be available to enable CAD providers that you have yet to develop an interface for, to develop their interface to the CAD-to-CAD System. The API shall be provided for inspection upon request. Developer assistance, including a separate developer test environment, should also be available.			
Application Programming Interface	API2	<b>Bi-directional Messaging:</b> The CAD-to-CAD System API shall support bi-directional non-incident message exchange through the CAD system interface, allowing both sides of the interface to publish and subscribe to the messages being exchanged. Incident related messaging shall be supported through comments added to shared narrative.			
Application Programming Interface	API3	<b>Publish-only or Subscribe-Only Interfaces:</b> The CAD-to-CAD System API shall support communication through publish-only or subscribe-only interfaces that can be used for connectivity to other types of systems. (e.g., incident-related information should be subscribable by an agency Records Management Systems for report generation).			
Application Programming Interface	API4	<b>NIEM Conformant Data Model:</b> The API shall also include a NIEM conformant Data Model so that the CAD providers can exchange data using this industry standard exchange package.			
Application Programming Interface	API5	<b>Heartbeat/Messaging Acknowledgement for Monitoring:</b> The API shall support the implementation of both heartbeat as well as message acknowledgement mechanisms to continuously monitor the connections with all end-point systems.

Application Programming Interface	API6	<b>API Testing:</b> The API for CAD system interfaces shall provide a method to unit test and regression test interfaces for conformance to system interoperability requirements. The method should test each functional area of the interface.			
Application Programming Interface	API7	<b>Refresh after System Restart:</b> The interface API shall support the ability for the interface to refresh the CAD-to-CAD System with all active incident and resource information in the event of an extended network outage or system restart has occurred.			
Logging, Reporting and Maintenance	LRM1	<b>System Logs:</b> The CAD-to-CAD System shall log all messages and actions taken into a secure system log that can be used for diagnostic as well as auditing purposes. The CAD-to-CAD System log shall not be modifiable by system administrator or any users.			
Logging, Reporting and Maintenance	LRM2	<b>Audit Trail Functionality:</b> The CAD-to-CAD System shall provide Audit Trail functionality to include:			
Logging, Reporting and Maintenance	LRM2a	<b>Functionality 1:</b> Any system-wide configuration change			
Logging, Reporting and Maintenance	LRM2b	<b>Functionality 2:</b> Any change that affects data exchange between connected CAD systems			
Logging, Reporting and Maintenance	LRM2c	<b>Functionality 3:</b> Any changes to code mappings between system and a CAD system			
Logging, Reporting and Maintenance	LRM2d	<b>Functionality 4:</b> Any changes to user accounts, passwords or password policies			
Logging, Reporting and Maintenance	LRM2e	<b>Functionality 5:</b> Any changes to business rules, filters, and customizable scripts			
Logging, Reporting and Maintenance	LRM2f	<b>Functionality 6:</b> The Audit trail shall include the following detail, at a minimum:			
Logging, Reporting and Maintenance	LRM2g	<b>Functionality 7:</b> The user making the change			
Logging, Reporting and Maintenance	LRM2h	<b>Functionality 8:</b> The changes that were made			
Logging, Reporting and Maintenance	LRM2i	<b>Functionality 9:</b> Time and date of the change

Logging, Reporting and Maintenance	LRM3	<b>Analytical Reporting:</b> The CAD-to-CAD System should have the ability to provide essential analytical reporting that includes, at a minimum, time-range reporting for all connected CAD system of total incidents, shared incidents, response times, number and type of shared resources.			
Logging, Reporting and Maintenance	LRM4	<b>Configuration Monitoring:</b> A real-time system health GUI dashboard shall be provided that monitors all essential system components - servers, CPU, memory, database, and message backlog. The CAD-to-CAD System shall be configurable to notify system administrators when configurable thresholds are exceeded.			
Logging, Reporting and Maintenance	LRM5	<b>Record Error Detection and Notification to Connected CAD Systems:</b> In the event any connected CAD system becomes unavailable as detected by the failure of regular heartbeat messages, The CAD-to-CAD System shall record a detailed error message in the CAD-to-CAD System log file, and notify all other connected CAD systems of its unavailability.			
Logging, Reporting and Maintenance	LRM6	<b>Detailed Error Message Information:</b> When sending informational or connectivity-related error messages, the CAD-to-CAD System shall include data elements and error numbers needed to ensure that the meaning is clear and unambiguous so that they may be properly displayed in each receiving CAD system.			
Logging, Reporting and Maintenance	LRM7	<b>Error Message Recognition and Notification:</b> The CAD-to-CAD System shall generate and record an error message in the system log and send an error message to the originating CAD system if it fails to recognize or translate any field in an incoming message. Simply discarding an unrecognized message is unacceptable.			
Logging, Reporting and Maintenance	LRM8	<b>Alerts for No Response from any of the CAD Systems:</b> The CAD-to-CAD System GUI administrator application and the GUI user application shall include both configurable flashing icons and audible alerts to notify users when any single system is not responding or is unreachable. Alerts shall also be generated in the form of text messages or emails.

Security	S1	<b>Compliance with CJIS Security Policies:</b> The CAD-to-CAD System shall comply with the Criminal Justice Information System (CJIS) security policies and procedures. The CAD-to-CAD System shall maintain compliance with current CJIS Security Policies as they are updated.			
Security	S2	<b>Secure Encryption for Data Transfer:</b> With regards to the CAD system interface, the CAD-to-CAD system shall provide secure encryption capabilities (a minimum of AES-256) for all data transferred between the CAD-to-CAD system and any connected CAD system using standard HTTPS or a secure tunnel mechanism.			
Security	S3	<b>Access Control:</b> The CAD-to-CAD system shall provide role-based access that also accommodates local CAD authentication from each connected entity. Describe how you plan to accomplish this.			
Security	S4	<b>MFA:</b> Will your solution support Multi-Factor-Authentication?			
Security	S5	<b>Data Security:</b> Describe your plan for securing data at rest, data in transit, and data in use.			
Security	S6	<b>Patch Management:</b> Describe your plan for patch management for your solution.			
Security	S7	<b>Monitoring:</b> Describe your plan for monitoring the CAD-to-CAD environment.			
Security	S8	<b>SIEM:</b> Do you have a SIEM that will support your solution?			
Security	S9	<b>Assessment:</b> How many years has it been since your last external security assessment?			
Security	S10	<b>Cyber Incident Recovery Plan:</b> Do you have a Cyber Incident Response Plan for your organization?			
Security	S11	<b>Business Continuity Plan:</b> Do you have a Business Continuity Plan for your organization?			
Reliability	R1	<b>Up-time Availability:</b> The CAD-to-CAD System shall be capable of providing 99.999% ("five nines") up-time availability to all connected CAD systems provided similar availability is delivered by the network infrastructure and connected CAD systems.			

Category	Req. ID	Description	Bidder's Compliance (C, PC, or NC)	Written Response	Bidder's Score
Reliability	R2	<b>Fault Tolerant if One Connection is Failed:</b> The CAD-to-CAD System shall be fault tolerant so that if there is CAD system connection failure, it will continue to operate with the remaining connected systems. The system shall also be capable of automatically recovering when connectivity is restored.			
Reliability	R3	<b>System Failover:</b> The CAD-to-CAD System shall be fault tolerant so that if any server node of the distributed database cluster goes offline, the system will failover to a replicated database and continue to operate without system disruption or any data loss.			
Reliability	R4	<b>Fault Tolerant if Application Server Fails:</b> The CAD-to-CAD System shall be fault tolerant so that if any single application server fails, The CAD-to-CAD System will continue to operate in a reduced capacity mode without system disruption or any loss of data.			
Reliability	R5	<b>Disaster Recovery:</b> The CAD-to-CAD System shall provide a Disaster Recovery plan for maintaining a "Hot Standby" replica of the entire system that can be brought online immediately in the event of a catastrophe that disables the primary operational environment.			
Reliability	R6	<b>Site License includes Disaster Recovery:</b> System pricing shall provide options for site licensing for inclusion of Disaster Recovery sites without requiring a separate System license.			
Reliability	R7	<b>CAD System Failover:</b> The CAD-to-CAD System shall have, as part of the GUI administrator application, the capability to temporarily provide basic incident creation and dispatching functionality for an agency in the event of a complete CAD system failure. This includes, at a minimum, the ability to create incidents, dispatch resources to incidents, add comments to an incident, share incidents and resources with other agencies (CADs) and update status and basic information on incidents and resources.

**BID SHEET FOR RFP25-009**

To be considered responsive, bidders must fill out the excel spreadsheet uploaded to WEBS titled RFP25-009 Bid Sheet and returned to [contracts.office@mil.wa.gov](mailto:contracts.office@mil.wa.gov).

**COMPLAINT, DEBRIEF, & PROTEST REQUIREMENTS**

This attachment details the applicable requirements for complaints, debriefs, and protests.

**Complaints**

This RFP offers a complaint period for bidders wishing to voice objections to this solicitation. The complaint period ends five (5) business days before the proposal due date. The complaint period is an opportunity to voice objections, raise concerns, or suggest changes that were not addressed during the Question & Answer Period or at the Pre-Bid Conference. Failure by the bidder to raise a complaint at this stage may waive its right for later consideration. The Washington Military Department will consider all complaints but is not required to adopt a complaint, in part or full. If bidder complaints result in changes to the RFP, written amendments will be issued and posted on WEBS.

- *Criteria for Complaint:* A formal complaint may be based only on one or more of the following grounds: (a) The solicitation unnecessarily restricts competition; (b) The solicitation evaluation or scoring process is unfair or flawed; or (c) The solicitation requirements are inadequate or insufficient to prepare a response.
- *Initiating A Complaint:* A complaint must: (a) Be submitted to and received by the Procurement Coordinator no less than five (5) business days prior to the deadline for proposal submittal; and (b) Be in writing (see *Form and Substance, and Other* below). A complaint clearly should articulate the basis of the complaint and include a proposed remedy.
- *Response:* When a complaint is received, the Procurement Coordinator (or designee) will consider all the facts available and respond in writing prior to the deadline for proposal submittals, unless more time is needed. The Washington Military Department is required to promptly post the response to a complaint on WEBS.
- *Response is Final:* The Procurement Coordinator's response to the complaint is final and not subject to administrative appeal. Issues raised in a complaint may not be raised again during the protest period. Furthermore, any issue, exception, addition, or omission not brought to the attention of the Procurement Coordinator prior to proposal submittal may be deemed waived for protest purposes.

**Debrief Conferences**

A Debrief Conference is an opportunity for a bidder and the Procurement Coordinator to meet and discuss the bidder's bid. A debrief is a required prerequisite for a bidder wishing to file a protest. Following the evaluation of the bids, the Washington Military Department will issue an announcement of the Apparent Successful Bidder (ASB). That announcement may be made by any means, but the WMD likely will use email to the Bidder's email address provided in the Bidder's Profile and all other bidders will be notified via WEBS. Bidders will have three (3) business days to request a Debrief Conference. Once a Debrief Conference is requested, WMD will offer the requesting bidder one (1) meeting opportunity and notify the Bidder of the Debrief Conference place, date, and time. The WMD will not allow the debrief process to delay the award. Therefore, bidders should plan for contingencies and alternate representatives; bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

- *Timing:* A Debrief Conference may be requested by a bidder following announcement of the Apparent Successful Bidder.
- *Purpose of Debrief Conference:* Any bidder who has submitted a timely proposal response may request a Debrief Conference (see *Form and Substance, and Other* below). A Debrief Conference provides an opportunity for the Bidder to meet with WMD to discuss its proposal and evaluation.
- *Requesting a Debrief Conference:* The request for a Debrief Conference must be made in writing via email to the Procurement Coordinator and received within three (3) business days after the announcement of the Apparent Successful Bidder. Debrief conferences shall be

conducted by telephone and may be limited by the WMD to a specified period of time. The failure of a bidder to request a debrief within the specified time and attend a debrief conference constitutes a waiver of the right to submit a protest. Any issue, exception, addition, or omission not brought to the attention of the procurement coordinator before or during the debrief conference may be deemed waived for protest purposes.

## **Protests**

Following a Debrief Conference, a bidder may protest the award of the contract.

- *Criteria for a Protest:* A protest may be based only on one or more of the following: (a) Bias, discrimination, or conflict of interest on the part of an evaluator; (b) Error in computing evaluation scores; or (c) Non-compliance with any procedures described in the RFP.
- *Initiating a Protest:* Any bidder may protest an award to the Apparent Successful Bidder. A protest must: (a) Be submitted to and received by the Procurement Coordinator, within five (5) business days after the Bidder's Debriefing Conference (see *Form and Substance, and Other* below); (b) Be in writing; (c) Include a specific and complete statement of facts forming the basis of the protest; and (d) Include a description of the relief or corrective action requested.
- *Protest Response:* After reviewing the protest and available facts, WMD will issue a written response within ten (10) business days from receipt of the protest, unless additional time is needed.
- *Decision is Final:* The protest decision is final and not subject to administrative appeal. If the protesting bidder does not accept WMD's protest response, the bidder may seek relief in Thurston County Superior Court.

## **Communication During Complaints, Debriefs, and Protests**

All communications about this RFP, including complaints, debriefs, and protests, must be addressed to the Procurement Coordinator unless otherwise directed.

- *Form, Substance, & Other:* All complaints, requests for debrief, and protests must (a) Be in writing; (b) Be signed by the complaining or protesting bidder or an authorized agent, unless sent by email; (c) Be delivered within the time frame(s) outlined herein; (d) Identify the solicitation by WMD number; (e) Conspicuously state "Complaint," "Debrief" or "Protest" in any subject line of any correspondence or email; and (f) Be sent to the address identified in the table below.
- *Complaints & Protests:* All complaints and protests must (a) State all facts and arguments on which the complaining or protesting bidder is relying as the basis for its action; and (b) Include any relevant documentation or other supporting evidence.

## **Format to submit a Complaint, Debrief, or Protest**

### **Complaint Email**

**To:** Send to the Procurement Coordinator listed in this RFP.

**Subject line** must include "Complaint"

### **Debrief Conference Email**

**To:** Send to the Procurement Coordinator listed in this RFP.

**Subject line** must include "Debrief"

### **Protest Email**

**To:** Send to the procurement coordinator listed in this RFP.

**Subject line** must include "Protest"

**DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS**  
**FOR**  
**BIDDERS WHO PLAN TO UTILIZE SUBCONTRACTORS TO PERFORM THE CONTRACT, IF AWARDED**

Competitive Solicitation:	No. RFP25-009
Bidder:	_____ Type/print full legal name of Bidder

**Attachment F – Diverse Business Inclusion Plan – Subcontractors** is divided into the following three sections:

Section 1 – Provides information about WMD small and diverse business opportunities.

Section 2 – Provides instructions and information regarding who must submit **Attachment F – Diverse Business Inclusion Plan – Subcontractors** and what is required.

Section 3 – Provides the template for the **Diverse Business Inclusion Plan – Subcontractors** for the above referenced Competitive Solicitation and the information prompts that bidders, if required (i.e., bidder, if awarded, plans to use subcontractors), must complete.

**SECTION 1: WMD & SMALL/DIVERSE BUSINESSES**

As set forth in the Competitive Solicitation (see Attachment G, Section 6.2), WMD, in accordance with Washington law and to the maximum extent practicable, encourages and supports small and diverse businesses to compete for and participate in state procurements as contractors and as subcontractors to awarded bidders. See, e.g., [RCW 39.19](#) (OMWBE certified businesses); [RCW 43.60A.200](#) (WDVA certified veteran-owned businesses); and [RCW 39.26.005](#) (Washington small businesses).

For purposes of this Competitive Solicitation, the following terms have the following meanings:

SMALL/DIVERSE BUSINESS CATEGORY	DEFINITION
Minority-Owned Business:	Limited to firms certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE) as a minority-owned business (MBE). See, <a href="#">RCW 39.19.120</a> and <a href="#">WAC 326-20</a> .
Woman-Owned Business:	Limited to firms certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE) as a woman-owned business (WBE). See, <a href="#">RCW 39.19.120</a> and <a href="#">WAC 326-20</a> .

SMALL/DIVERSE BUSINESS CATEGORY	DEFINITION
Veteran-Owned Business:	<p>Limited to firms certified by the Washington State Department of Veterans Affairs (WDVA) as a Certified Veteran-Owned Business. See, <a href="#">RCW 43.60A.010(7)</a> &amp; <a href="#">RCW 43.60A.190</a>. Such firms must meet four requirements:</p> <ul style="list-style-type: none"> <li>○ <i>51% Ownership.</i> The firm must be at least fifty-one percent (51%) owned and controlled by: <ul style="list-style-type: none"> <li>▪ A veteran as defined as every person who at the time he or she seeks certification has received a discharge with an honorable characterization or received a discharge for medical reasons with an honorable record, where applicable, and who has served in at least one of the capacities listed in RCW 41.04.007;</li> <li>▪ A person who is in receipt of disability compensation or pension from the department of veterans affairs; or</li> <li>▪ An active or reserve member in any branch of the armed forces of the United States, including the national guard, coast guard, and armed forces reserves.</li> </ul> </li> <li>○ <i>Washington Incorporation/Location.</i> The firm must be <u>either</u> an entity that is incorporated in the state of Washington as a Washington domestic corporation <u>or, if not incorporated,</u> an entity whose principal place of business is located within the State of Washington.</li> <li>○ <i>WEBS Certification.</i> The firm must have certified its Veteran-Owned Business status in Washington’s Electronic Business Solution (<a href="#">WEBS</a>).</li> <li>○ <i>WDVA Certification.</i> The firm must have provided certification documentation to the WDVA and be certified by WDVA and listed as such on WDVA’s website (<a href="#">WDVA – Veteran-Owned Businesses</a>).</li> </ul>

SMALL/DIVERSE BUSINESS CATEGORY	DEFINITION
Washington Small Business:	<p>Limited to firms that meet the following three (3) requirements:</p> <ol style="list-style-type: none"> <li>1. <i>Location.</i> The firm's principal office/place of business must be located in and identified as being in the State of Washington. A principal office or principal place of business is a firm's headquarters where business decisions are made and the location for the firm's books and records as well as the firm's senior management personnel.</li> <li>2. <i>Size.</i> The firm must be owned and operated independently from all other businesses and have either: (a) fifty (50) or fewer employees; or (b) gross revenue of less than seven million dollars (\$7,000,000) annually as reported on the firm's federal income tax return or its return filed with the Washington State Department of Revenue (WDOR) over the previous three consecutive years.</li> <li>3. <i>WEBS Certification.</i> Bidder must have certified its Washington Small Business status in Washington's Electronic Business Solution (<a href="#">WEBS</a>).</li> </ol> <p>See, <a href="#">RCW 39.26.010(22) &amp; .010(13)</a>.</p> <p>Washington Small Business can also include Minibusinesses and Microbusinesses. Such firms just have a small 'size' requirement:</p> <ul style="list-style-type: none"> <li>▪ <i>Minibusiness Size Requirement:</i> The firm must be owned and operated independently from all other businesses and have a gross revenue of at least one million dollars (\$1,000,000) but less than three million dollars (\$3,000,000) annually as reported on the firm's federal income tax return or its return filed with the WDOR. See, <a href="#">RCW 39.26.010(17)</a>.</li> <li>▪ <i>Microbusiness Size Requirement:</i> The firm must be owned and operated independently from all other businesses and has a gross revenue of less than one million dollars (\$1,000,000) annually as reported on the firm's federal income tax return or its return filed with the WDOR. See, <a href="#">RCW 39.26.010(16)</a>.</li> </ul>

In support of the state's economic goals and to support a diverse supplier pool, WMD has established the following voluntary numerical goals for WMD Competitive Solicitations:

- Ten percent (10%) Minority-Owned Businesses;
- Six percent (6%) Woman-Owned Businesses;
- Five percent (5%) Veteran-Owned Businesses; and
- Twenty-five percent (25%) Washington Small Businesses, five percent (5%) of which are microbusinesses or minibusinesses as defined in RCW 39.26.010(16) and (17).

Achievement of these goals is encouraged whether directly or through subcontractors.

## SECTION 2: INFORMATION & INSTRUCTIONS FOR COMPLETING ATTACHMENT F DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS

1. Bidders who, if awarded a Contract, intend to use subcontractors, must complete **Attachment F – Diverse Business Inclusion Plan – Subcontractors** in the form set forth herein. Awarded bidders who do not submit a Diverse Business Inclusion Plan will be precluded from utilizing subcontractors to perform the Contract.
  - *Note: Attachment F – Diverse Business Inclusion Plan – Subcontractors* is NOT required if bidder, if awarded, does NOT intend to use subcontractors for this Contract.
2. As part of the **Diverse Business Inclusion Plan – Subcontractors**, bidder is encouraged to include an anticipated list of small/diverse subcontractors who may assist bidder in fulfilling bidder's contractual

obligations, if bidder is awarded a Contract pursuant to this Competitive Solicitation. This list should identify any subcontractors who are small/diverse businesses as defined above.

- **Note:** The businesses included in the ***Diverse Business Inclusion Plan – Subcontractors*** are listed as examples of the businesses that bidder may use as subcontractors and does NOT obligate bidder to utilize those specific businesses in performing the Contract, if awarded. If awarded, the bidder's ***Diverse Business Inclusion Plan – Subcontractor*** will be incorporated into the terms and conditions of the resulting Contract and bidder will report performance and progress to WMD as set forth in the Contract and in annual contract management meetings.
3. Bidders must describe their efforts in engaging and reducing any barriers to participation by small/diverse businesses, including outreach, education/mentorship, and process changes designed to increase small/diverse business participation.
  4. If the proposed subcontractors are self-identified diverse businesses, bidder will encourage and support efforts for their certification with the appropriate Washington state agencies.
  5. The small/diverse business goals set forth herein are voluntary. Bidders will not be considered non-responsive if the ***Diverse Business Inclusion Plan – Subcontractors*** has a zero small/diverse business participation amount. WMD, however, encourages bidders to be proactive in engaging small/diverse business participation. No preference will be included in the evaluation of bids based on the ***Diverse Business Inclusion Plan – Subcontractors***. No minimum level of small/diverse business participation is required as a condition for receiving a Contract award.
  6. WMD will review the ***Diverse Business Inclusion Plan – Subcontractors*** for a genuine effort and the maximum opportunity to contribute toward WMD aspirational goals. Awarded bidders who utilize subcontractors will meet with WMD annually regarding their small/diverse business aspirational inclusion goals and outreach efforts set forth in their ***Diverse Business Inclusion Plan – Subcontractors***.

### SECTION 3: BIDDER'S DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS

#### 1. BIDDER'S ANTICIPATED DIVERSE BUSINESS PARTICIPATION (GOALS)

List bidder's anticipated small/diverse business category participation goals for subcontractor participation, if bidder is awarded a Contract. Bidders may list any goal amount. These goals are aspirational goals for bidder's use of small/diverse business subcontractors, if awarded a Contract pursuant to this Competitive Solicitation.

SMALL/DIVERSE BUSINESS CATEGORY	WMD GOALS	ANTICIPATED PERCENT OF CONTRACT AMOUNT (GOALS)
Minority-Owned Business	10%	
Woman-Owned Business	6%	
Veteran-Owned Business	6%	
Washington Small Business	25%	

#### 2. BIDDER'S DIVERSE BUSINESS SUBCONTRACTING LIST

Provide the firm information of the relevant small/diverse business subcontractors that bidder anticipates utilizing, if awarded a Contract pursuant to this Competitive Solicitation. Please identify the names of the firms as they are listed in Washington's Electronic Business Solution (WEBS) and provide the firm's applicable certification numbers (for Minority, Woman, and Veteran-Owned firms).

STATE CERTIFICATION CATEGORY	LIST OF FIRMS
Minority-Owned Businesses	
Woman-Owned Businesses	
Veteran-Owned Businesses	
Washington Small Businesses	

#### 3. DESCRIBE BIDDER'S PLAN TO MEET OR EXCEED BIDDER'S VOLUNTARY DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS GOALS, INCLUDING OUTREACH.

Response:

**4. IDENTIFY BIDDER'S PRIMARY CONTACT FOR BIDDER'S *DIVERSE BUSINESS INCLUSION PLAN – SUBCONTRACTORS GOALS*.**

Response:

Bidder commits to a make a genuine effort to achieve the proposed subcontract amounts with small/diverse business subcontractors as stated above. Bidder will develop a comprehensive outreach strategy that will engage small/diverse businesses registered with the State of Washington in WEBS.

## DOING BUSINESS WITH THE STATE OF WASHINGTON

## Washington's Public Records Disclosure Act

This section provides additional information regarding Washington's Public Records Act and doing business with the State of Washington, including WMD's efforts to enable Washington's small, diverse, and veteran-owned businesses to compete for and participate in state procurements for goods/services.

## 6.1. WASHINGTON'S PUBLIC RECORDS ACT – PUBLIC RECORDS DISCLOSURE REQUESTS.

- All documents (written and electronic) submitted to WMD as part of this procurement are public records. Unless statutorily exempt from disclosure, such records are subject to disclosure *if* requested. See [RCW 42.56](#), Public Records Act. WMD strongly discourages bidders from unnecessarily submitting sensitive information (e.g., information that bidder might categorize as 'confidential,' 'proprietary,' 'sensitive,' 'trade secret,' etc.).
- If, in bidder's judgment, Washington's Public Records Act provides an applicable statutory exemption from disclosure for certain portions of bidder's bid, please mark the precise portion(s) of the relevant page(s) of the bid that bidder believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure.
- In addition, if, in bidder's judgment, certain portions of bidder's bid are not statutorily exempt from disclosure but are sensitive because these particular portions of bidder's bid (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that bidder protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, please mark the precise portion(s) of the relevant page(s) of bidder's bid that include such sensitive information.
- In the event that WMD receives a public records disclosure request pertaining to information that bidder has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, WMD, prior to disclosure, will do the following:
  - WMD's Public Records Officer will review any records marked by bidder as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, WMD will redact or withhold the document(s) as appropriate.
  - For documents marked 'sensitive' or for documents where WMD either determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, WMD will notify bidder, at the address provided in the bid submittal, of the public records disclosure request and identify the date that WMD intends to release the document(s) (including documents marked 'sensitive' or exempt from disclosure) to the requester unless the bidder, at bidder's sole expense, timely obtains a court order enjoining WMD from such disclosure. In the event bidder fails to timely file a motion for a court order enjoining such disclosure, WMD will release the requested document(s) on the date specified. Bidder's failure properly to identify exempted or sensitive information and timely respond after notice of request for public disclosure has been given shall be deemed a waiver by bidder of any claim that such materials are exempt or protected from disclosure.

6.2. **SMALL & DIVERSE BUSINESSES.** WMD in accordance with Washington law, encourages small and diverse businesses to compete for and participate in state procurements as contractors and as subcontractors to awarded bidders. See, e.g., [RCW 39.19](#) (OMWBE certified businesses); [RCW 43.60A.200](#) (WDVA certified veteran-owned businesses); and [RCW 39.26.005](#) (Washington small businesses). In support of the state's economic goals and to support a diverse supplier pool, WMD has established the following voluntary numerical goals for WMD's Competitive Solicitations:

- Ten percent (10%) Minority-Owned Businesses certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE);

- Six percent (6%) Women-Owned Businesses certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE);
- Five percent (6%) Veteran-Owned Businesses certified by the Washington State Department of Veterans Affairs (WDVA); and
- Twenty-Five percent (25%) Washington Small Businesses, five percent (5%) of which are microbusinesses or minibusinesses as defined in RCW 39.26.010(16) and (17).

Achievement of these goals is encouraged whether directly or through subcontractors.

- **OMWBE CERTIFICATION.** Bidders may contact the Washington State [Office of Minority and Women's Business Enterprises](#) (OMWBE) regarding information on Minority-Owned and Women-Owned certified firms, state and federal certification programs, or to become certified. OMWBE can be reached by telephone, 866-208-1064, or through their website at [OMWBE](#). OMWBE-Certified firms may provide their certification information on **Attachment A3 – Bidder's Profile**.
- **WDVA CERTIFICATION.** Bidders may contact the [Washington State Department of Veterans' Affairs](#) (WDVA) for information regarding Certified Veteran-Owned businesses or to become a Certified Veteran-Owned Business. The WDVA can be reached by telephone, (360) 725-2169, or through their website at [WDVA](#). The qualification requirements to be a Certified Veteran-Owned Business are set forth in **Attachment A2 – Bidder's Certification**.
- **WASHINGTON SMALL BUSINESSES.** Bidders may contact the WMD about small and diverse business inclusion and qualification as a Washington Small Business. If you qualify as a Washington Small Business, identify yourself as such in WEBS. Call WEBS Customer Service at 360-902-7400. The qualification requirements to self-certify as a Washington Small Business are set forth in **Attachment A2 – Bidder's Certification**.

- 6.3. **WEBS REGISTRATION.** Individuals and firms interested in state contracting opportunities with WMD or any state agency should register for competitive solicitation notices at the Washington Electronic Business Solution (WEBS) [WEBS Registration](#). *Note:* There is no cost to register on WEBS.
- 6.4. **POLYCHLORINATED BIPHENYLS (PCBS) NOTICE.** Polychlorinated biphenyls, commonly known as PCBs, have adverse effects on human health and the environment. Accordingly, the State of Washington, through its procurements of goods, is trying to minimize the purchase of products with PCBs and to incentivize its contractual vendors to sell products and products-in-packaging without PCBs.
- 6.5. **MERCURY FREE PURPOSE STATEMENT:** Mercury has an adverse effect on human health and the environment. Accordingly, the State of Washington, through its procurements of goods, is trying to minimize the purchase of products with mercury and to incentivize vendors to sell products without mercury.
- 6.6. **HYDROFLUOROCARBONS (HFCs) PURPOSE STATEMENT:** Hydrofluorocarbons (HFCs) contribute to climate change and so have an adverse effect on human health and the environment. Accordingly, the State of Washington, through its procurements of goods, is trying to minimize the purchase of products that contain HFCs or contain HFCs with a comparatively low global warming potential and to incentivize its vendors to sell products without HFCs.
- 6.7. **RECYCLED CONTACT PRODUCTS ENVIRONMENTAL PREFERENCE PURPOSE STATEMENT:** Buying products made from recycled content creates markets for materials collected in residential & business recycling programs. Recycling does not work without end-markets. In addition, buying recycled products supports the development of green technologies, creates jobs and strengthens the local economy, and promotes and supports a more sustainable lifestyle. When manufacturers use recycled material vs. virgin materials to make new products, air and water pollution is reduced, natural resources are conserved, energy is saved, less water is used, and emissions of greenhouse gases that contribute to global climate change are reduced. Accordingly, the State of Washington through its procurements of goods is trying to maximize

the purchase of products made from recycled content and to incentivize its vendors to sell products and products in packaging made with recycled content.
