**AREA OF CONSIDERATION:**

All 2T371 or eligible cross-training members who meet FIT requirements and are members of the Washington Air National Guard or those eligible for enlistment in the Washington Air National Guard.

**WORKING CONDITIONS:**

Work is accomplished occasionally in a maintenance shop, but primarily in an office environment and may involve minor lifting of office items. Periodic skills training will be required in the field. Will involve visits to geographically separated units or deployment locations.

**SUMMARY OF DUTIES:**

This is a drill status Air National Guard position in the 194th ASOG. Manage 194 ASOG vehicle and equipment maintenance programs to ensure all requirements are met. Work closely with Commander, command staff, section leadership, and Logistics Readiness Squadron (LRS) for status, recommendations, coordination, policy and procedure. Provide guidance and conduct staff assistance visits to ASOG subordinate units to ensure compliance with all HHQ guidance.

**INSTRUCTIONS TO APPLICANTS**

**APPLICATION REQUIREMENTS:**

1. Resume
2. Cover Letter (optional)
3. vMPF records review
4. Current AF physical fitness test score

Applicant will be scheduled for interview once a completed package is received and reviewed. A selection board will be held at a future date established by 194 ASOG leadership based on packages received.
